**The Eagle Steam Washer**

IS THE BEST WASHING MACHINE ON EARTH.  
No Home L. Complete without the Eagle STEAM WASHER.  
Messrs. FRASER & CO. - Dear Sirs - The machine I bought of you last July has given every satisfaction, and does all that you alleged that it would. The same amount of clothes for the washing of which we paid equal to \$1 can be done easily by my daughter, and whereas the washerwoman took from 8 a.m. to 6 p.m., now, with the machine my daughter commences after the children leave for school in the morning, and are they return to dinner the clothes are on the line and the machine set aside. In the invention of the Eagle Steam Washer you have conferred a great boon on the domestic circle, and its use will become universal as soon as its merits are appreciated. I am, dear Sir, yours truly, Rev. J. Kennerley, January 15th, 1888.
