RECOLLET HOUSE. CORNER ST. HELEN AND NOTRE DAME STS., BROWN & CLAGGETT. Have now ready for inspection an unusually large Stock of the Cheapest Goods (quality considered) they have ever shown. The IMPORTANT FRENCH PURCHASES were made by our agents during the panic, when French Manufacturers were compelled to sell for gold at any sacrifice. The STOCK OF DRESS FABRICS include several classes that were made for Paris, and bought much under ordinary value. COTTONS are at the lowest point they have been for years. An immense stock of Gloves and Hosiery now received. One thousand dozen Scarfs, and a beautiful lot of Sashes and Sash Ribbons to select from. The purchases have been made under the most advantageous circumstances, and are now submitted on the lowest possible scale of profits, each article being marked in PLAIN FIGURES THE LOWEST CASH PRICE. Inspection and comparison are with much confidence invited. We have just received two Pattern Mantles from Paris, bought by our agent who paid a visit to the besieged city during the armistice, and forwarded them by express specially for the Mantle Department of the Recollet House. The MANTLE ROOMS contain a large stock to meet the increasing patronage of this Department. The BEST PATTERNS are selected with great care. The MATERIALS are bought from the best manufacturers and copied in our own workrooms, and can be had and are all sold at the lowest Cash Price.
