

Hospital or from the doctors, who have attended my husband at different times; has done anything like the good which the few boxes of Dr. Williams' Pills he has taken have effected, and, under Providence, we feel he owes his life and his restoration to work and usefulness to this wonderful medicine."

Mr. Charles Leavessy, Insurance agent, at Cowley street, Old Basford, has among other neighbors been deeply moved by the sufferings of Mr. Watson, and profoundly impressed by his miraculous restoration to health. The case has, in fact, been a topic of conversation in the entire neighborhood.

Attention is drawn to the circumstance that every fact in the above remarkable history is vouched for by independent evidence which it would be morally impossible to doubt. It is shown by conclusively attested evidence that Dr. Williams' Pink Pills for Pale People are not a patent medicine in the ordinary sense, but a scientific preparation from a formula long used in regular practice. They are shown to positively and unfailingly cure all diseases arising from impoverished blood, such as pale and sallow complexion, general muscular weakness, loss of appetite, depression of spirits, anemia, green sickness, palpitation of the heart, shortness of breath, pain in the back, nervous headache, dizziness, loss of memory, early decay, all forms of female weakness, hysteria, paralysis, locomotor ataxia, rheumatism, sciatica, all diseases depending on vitiated humors in the blood, causing scrofula, rickets, hip joint diseases, chronic erysipelas, catarrh, consumption of the bowels and lungs, and also invigorates the blood and system when broken down by overwork, worry, diseases. These pills are not a purgative medicine. They contain nothing that could injure the most delicate system. They act directly on the blood, supplying to the blood its life-giving qualities, by assisting it to absorb oxygen, that great supporter of all organic life. In this way, the blood becoming "built up," and being supplied with its lacking constituents, becomes rich and red, nourishes the various organs, stimulates them to activity in the performance of their functions, and thus to eliminate disease from the system.

These Pills are manufactured by the Dr. Williams' Medicine Company, of 46 Holborn Viaduct, London, England, (and of Brockville, Ont., and Schenectady, N. Y.), and are sold only in boxes bearing the firm's trade mark and wrappers at 2s 9d a box, or six boxes for 13s 9d. Pamphlet free by post on application. Bear in mind that Dr. Williams' Pink Pills for Pale People are never sold in bulk, or by the dozen or hundred, and any dealer who offers substitutes in this form is trying to defraud you and should be avoided.

Dr. Williams' Pink Pills may be had of all chemists or direct by post from the Dr. Williams' Medicine Company from the above address. The price at which these pills are sold makes a course of treatment comparatively inexpensive as compared with other remedies or medical treatment.

## Popular Story of The Church of England.

Showing its Birth, its Progress and its Work for the People, with illustrations.

Price Sixpence, or Bound in Cloth, One Shilling.

The large demand for this "Story" has necessitated the issue of a NEW EDITION. The book has been revised, and the statistics made up to the moment of going to press. In order to make its pages yet more attractive, some excellent views of Cathedrals and Churches have been added, and those who have not yet done so may be glad to distribute it as an antidote to the anti-Church literature which is now being so largely circulated in all parts of the Kingdom, in view of the coming attack upon our Church. Nearly all the Bishops have signified their warm approval of the "Story." The late Archbishop Magee commended it in these words: "It gives in a condensed and popular form one of the best statements of the past history and present work of the Church with which I am acquainted. It seems to me especially suited for distribution amongst our intelligent working classes, who need just such a corrective to the false and misleading statements now so industriously circulated amongst them by the enemies of our Church."

Favorably Reviewed by nearly one hundred newspapers.

Just Ready. Second Edition. On Antique Paper, Uncut Leaves.
