GENERAL DEBILITY.

How to Secure Release from the Distressing Symptoms That Follow in the Train of a "Run Down" System

The expression general debility is frequently made use of in referring to those who are weekly or whose system is run down, and it covers a multitude of symptoms that either singly or in the aggregate make life miserable, and hurry the victim to an early grave unless prompt and efficient means are taken to restore exhausted nature by building up the blood and assisting it to absorb oxygen, that great sustainer of all organic life. As a blood builder and nerve restorer Dr. Williams' Pink Pills for Pale People surpass all other medicines known to science. Their action is speedy and certain, building up the shattered system and driving out disease. Miss Olive C. Greywood, N.S., bears testimony to the efficacy of Dr. Williams' Pink Pills in cases of this kind. She says—"When I began using Pink Pills my whole system was run down to the extent that I was unable to do any housework. My appetite was poor. I had almost constant severe headaches, dizziness and other distressing symptoms and my friends feared I was going into a decline. I soon began to recover under the influence of your wonderful medicine, and am now as well as ever I was and feel that I owe my present good health to Pink Pills, which I cheerfully recommend to others who may be suffering as I was." If you are suffering from any of the troubles due to poor or watery blood, or shattered nerves, do not waste precious time, or your money, in experiments with other medicines—procure Dr. Williams' Pink Pills at once, and you will speedily be restored to full health and strength. Sold by all dealers or sent post paid at 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont., or Schenectady, N.Y. Avoid imitations and substitutes.

- A FOUNTAIN PEN -
FOR
\$1.00

A Fountain Pen is a good thing, provided you get the right kind at a moderate price. Fountain pens have hitherto been too high in price to come into general use. But the problem has been solved, and a good pen is now offered FOR ONE DOLLAR, free by post. This is not a cheap imitation, but a genuine gutta percha holder, with non-corrodible iridium pointed nib, from a first-class English firm. The nibs are furnished in fine, medium and broad, and as there is a twin feed the flow of ink is steady and reliable. Gold nibs, and holders with gold bands at higher prices, but the DOLLAR PEN is just as well adapted for everyday use.

The Neptune (for that is its name) is a favorite in England for short hand writers and others, but this is the first time, we believe, it has been offered for sale in Canada. The holder contains ink enough for two days steady writing.

Can be had by addressing J. J. Bell, GRIP Office, 81 Adelaide St., West, Toronto.
