THE BALL.

The peoples of Ireland and England were becoming united in a common cause and friendly sentiments were daily interchanged between them. The aristocratic government saw it, and looked on with fear and trembling. At length the rulers had a great council, and they were not slow to take up arms and now in the city of ...

The public need never hope to learn the truth from the columns of our city ... the editors will put anything sky-high for a glass of wine. Consequently we are compelled to give the ... his excellency ...
