

	<p>Successful life insurance agents who have pushed their business under great disadvantages, which they feel may cripple them in their future efforts, would do well to connect themselves with a LIVE company which fosters its agents.</p> <p>Others who have been desirous of taking a high rank in the business, but have found themselves surpassed by competitors, should determine whether this may not be due to the tools they have had to work with rather than to any lack of ability or energy on their part.</p> <p>The man who has the greatest facilities in business, other things being equal, will surpass all competitors.</p> <p>The Equitable Life Assurance Society, 190 Broadway, New York, has unoccupied territory at a number of points throughout Canada, and agents are invited to communicate with E. W. GALE, Montreal, General Agent of the Society for Canada. All communications of this character will be treated with consideration by the officers of the Society.</p>

THIS TABLE relates only to business done in Canada by the British and American Companies, but embraces the entire business of Canadian Companies. The ETNA LIFE's income in Canada is larger than that of any Company except the Canada Life. Its total income, however, is not merely \$403,597, but was \$1,851,315 in 1881, and its Insurance in force, \$79,772,425.

THE HANDSOME SUM OF \$100,000 has recently been added to the Etna's deposit with the Canadian Government for the security of policyholders, bringing its total deposit up to \$325,000.

THE very excellent standing of the ETNA LIFE INSURANCE COMPANY is shown by the fact that it is one of the leading Companies of the continent; and that its Canadian agency has an income nearly as large as those of all the other active American Companies in Canada combined, and larger than those of all the British Companies combined, or than the entire incomes of all the Canadian Companies except two.
