Mercantile Summary.

A GENERAL dealer at Cardigan, P. E. I., has failed.—So has J. H. Hilbert, tobaccoconist, Nanaimo, B. C.

ACCORDING to the Vancouver World, the partnership hitherto existing between W. & J. Kirkup, hardware dealers, Revelstoke, has been dissolved.

A NEW BRUNSWICK dealer is of opinion that on account of the limited market and the mill strike, the lumber cut next winter will be only half the usual amount.

ANNUAL profits ranging from \$6,000 to \$8,000 are reported in California, this season, from single groves of oranges and lemons. In one instance the gross receipts were \$14,000.

J. A. POSTON, Provincial Revenue Inspector for Quebec, who has been officially inspecting the phosphate regions in the Ottawa district, reports very little doing there at present, owing to the great activity in the Florida mineral.

THE following is respectfully suggested to commercial travellers as a motto for the road: "Drop a coupon in the slot and get a gold watch." Will some scholarly drummer kindly translate it into the proper quantity of Latin?

A DEALER in timber, at Adelaide, Australia, visited Victoria last week to arrange for a line of lumber steamers between Australia and British Columbia. His firm has chartered the steamers "Remus" and "Eton," and will have another steamer in September.

AMONG the minor failures for the week in the Province of Quebec, we note the assignment of D. A. Blais, general dealer of St. Moise, with liabilities mostly due in Quebec. Antoine Paquet, a small dry goods jobber of Quebec, is also reported assigned.
