Safety Deposit Vaults

There is no good crying over spilt milk. It is little use locking the stable after the horse is stolen. An ounce of prevention is worth a pound of cure.

Our burglar and fireproof vaults are the place to keep your personal valuables, will, deeds, mortgages, life and fire insurance policies, agreements and other important documents. A safety deposit box with sufficient accommodation for all reasonable requirements costs from \$5.00 to \$10.00 per year rent. It is almost as important that all your important documents should be in one place and accessible as that they should be secure. You combine both conditions by renting a deposit vault box.

Fire Insurance

There is little need of urging the necessity of protection against fire in this country of wooden buildings. What condition would you find yourself in in case you were burned out tomorrow? Ask yourself the question and answer it fairly. It is a matter of the greatest importance to you.

We insure buildings of all kinds, contents of buildings, plate glass, also revenue from buildings. Our companies are unquestionable so far as security is concerned. You get the protection you pay for. If you are putting on further insurance, or have your buildings or their contents unprotected call or drop us a line and we will be pleased to explain our position on the insurance question, and to quote you the most favorable rates.
