MANITOBA with its network of railways, giving markets near at hand for all farm products, offers unrivalled opportunities for investment. PROVINCIAL GOVERNMENT LANDS can still be purchased at from \$3 to \$6 per acre.

IMPROVED FARMS in all districts of the province can be pur-

chased at from \$10 to \$40 per acre. These prices are advancing every year.

A FEW POINTERS

On arrival at Winnipeg the wisest policy for any new settler to adopt is to remain in Winnipeg for a few days and learn for himself all about the lands offered for sale and to homestead.

There are districts that have been settled for many years in which land can be purchased. Some of this may be aubroken prairie which still possesses all the richness and productive powers of our virgin prairies. Other lands, cultivated and having comfortable farm buildings, are ready for immediate possession.

There are Provincial Government lands, Dominion Government home-

steads, and railway lands to be secured.

The price of land varies from \$3 to \$40 per acre. Location with respect to railways, towns, timber and water determines for information regarding homesteads apply at the Dominion
