The Acting Speaker (Mrs. Champagne): I declare the motion carried.

Bill read the second time and referred to a legislative committee.

Mr. Hawkes: Madam Speaker, I rise on a point of order.

I am wondering if the hon. member for Miramichi might reconsider his decision to vote. I think he came into the Chamber a bit late. He is an experienced member. In the best interests of the House, it might be best if he were to reconsider his decision.

Some Hon. Members: Oh, oh!

Mr. Dionne: Madam Speaker, when I came into the House my Whip was still standing. However, I am in your hands.

Mr. Gauthier: Madam Speaker, technically all members of the House should hear the question before they vote. That is the only technicality that must be addressed.

If he or she heard the question, then he or she can vote. That is the only technical argument that one puts in relation to a vote.

Members must be seated before the vote starts so that there can be order in this place. I do not think there was any disorder caused by the hon. member for Miramichi. If he heard the question, then I cannot argue with him.

Mr. Dionne: Madam Speaker, I did indeed hear the question put.
