

Government Orders

The Acting Speaker (Mr. Paproski): Questions and comments are now terminated. Debate is ended. Thank you very much. I thank all hon. members for a great debate this evening.

Mr. Flis: Point of order, Mr. Speaker. At 10.55 we did pass a number of motions put forward by the government parliamentary secretary. Motion No. 9 reads: "That at any time during the adjournment of the House between June 1991, and September 15, 1991, the Speaker may cause the House to sit for the sole purpose of giving Royal assent, et cetera".

I think I heard the parliamentary secretary put a date in there, but when I asked for copies from the Clerk there was no date. I do not see how we could pass something like this without a date. I think I heard him

say June 19, but in the copy that I have and it is initialled—

The Acting Speaker (Mr. Paproski): We will have a look at it tomorrow.

Pursuant to order made earlier this day the subamendment is deemed adopted on division. The amendment as amended is deemed adopted on division, and the question on the main motion as amended is deemed put and the division deferred to later this day at three o'clock p.m.

Accordingly this House stands adjourned until later this day, June 19, at two o'clock p.m., pursuant to Standing Order 24(1).

The House adjourned at 1.10 a.m.
