NOW OUT!—No. 1 of

THE WORLD CITIZEN

Included in No. 1 is a proposal for a Second National Peace Ballot to secure a National Demand for an International Police Force and Treaty revision. Three questions appear on the Ballot Form, which is inserted in every copy. Organisers and support urgently required.

ORDER
TO-DAY

From W. H. SMITH & SON or direct from the Publishers
Single copy 2½d. 6 issues 1/3. 12 issues 2/6 (stamps will do)

Write to:

The World Citizen, 2 Hanway Place, London, W.1

To avoid delay please give this address to your Newsagent when ordering.

STANDS FOR

● THE WORLD STATE

as the goal at which all progressive parties should aim.

● The placing of all Armaments in the hands of a democratic World Authority.

● The setting up of a World Tribunal with power to revise Treaties (the present International Court of Justice can only interpret Treaties).

● The abolition of competitive Sovereign States, warring one with another for the markets of the world, and their supersession by a system of regional governments and Federal World Boards.

THE NEW COMMONWEALTH QUARTERLY

Vol. II. No. 1 - - - June 1936

A Review published by The New Commonwealth Institute containing contributions by outstanding authorities and scholars, in English, French and German, on political, legal, economic and psychological aspects of international relations, with particular reference to the problems of international justice and security.
