

L.

Landmarks for

Abdominal aorta.....	262
Abdominal walls.....	178
Anterior crural nerve...	332
Anterior tibial artery...	367
Appendix	228
Arm.....	52
Arteries of mediastinum	148
Ascending colon.....	228
Axillary region.....	41
Bladder.....	273
Bloodvessels of scalp...	400
Bony prominences of foot.....	388
Cæcum	227
Clavicle.....	12
Colon	228
Diaphragm.....	166
Dorsalis pedis artery...	385
Duodenum	227
Elbow joint.....	67
External plantar artery.	388
Femoral artery and vein	332
Fingers.....	95
Forearm	78
Fourth dorsal vertebra..	153
Gall bladder.....	200
Gluteal artery.....	312
Gluteal region.....	311
Great sciatic nerve.....	313
Hand.....	95
Heart	136
Kidneys.....	243
Knee joint.....	354
Liver.....	196
Long saphenous vein...	368
Lungs.....	127
Mediastinum	148
Middle meningeal artery	416
Nerves of scalp.....	399
Ovary.....	281
Pancreas.....	259
Perineum	289
Pleura.....	130
Popliteal artery.....	347
Popliteal nerve.....	347
Posterior inf. iliac spine	311
Posterior super. iliac spine	311

Posterior tibial artery..	373
Roots of lungs.....	130
Scarpa's triangle.....	307
Sigmoid flexure.....	278
Shoulder region.....	25
Saphenous opening.....	302
Spleen.....	251
Stomach	209
Suprarenal capsules...	257
Thigh.....	333
Thoracic walls.....	117
Transverse colon.....	228
Ureter	245
Veins of mediastinum..	150
Wrist.....	95
Leg amputation.....	377
Anterior aspect.....	365
Fractures.....	375
Landmarks for.....	373
Posterior aspect.....	369
Ligation of	
Abdominal aorta.....	264
Anterior tibial.....	368
Axillary	45
Brachial.....	56
Femoral.....	339
Gluteal	341
Occipital	401
Palmar arch.....	104
Popliteal.....	351
Posterior tibial.....	374
Radial.....	81
Superficial temporal...	401
Supra-orbital	401
Linea alba.....	175
Lithotomy, lateral.....	297
Suprapubic.....	273
Liver.....	193
Clinical examination...	203
Diseases	200
Landmarks for.....	196
Operations	204
Lung.....	126
Landmarks for.....	127

M.

Mammary gland.....	114
Operations	120
Mediastinum	145
Landmarks for.....	148
Mesentery.....	221
