But Pennants in a Multitude of Hues Will Do It Better! The World Has Made it Possible at a Very Nominal Cost.

The phenomenal demand for the Canada Pennants has prompted us to issue one with the name of our fair city, and with the city crest. They are now ready for distribution. One Coupon from The Daily World and 22 cents secures one, when presented at The World Office, 40 West Richmond Street, Toronto, or to the Branch Office, 15 East Main Street, Hamilton, Ont. By mail, add 2 cents for postage.

NOTE.—Many people are buying Pennants as souvenirs and sending them to their friends abroad. Present your visitors with one, they will favorably remember Toronto and Canada.

Toronto

Canada

The indications are that many thousand visitors will invade this fair city during the next three months. Thanks to an efficient civic administration we have well paved and clean streets---but let us brighten up and put on a gala holiday appearance, a bit of bunting on our Verandah, on that Motor Boat, on that Island Cottage and on that Motor Car would help some.

CATTLE MARKET
WAS VERY DULL

Hogs, Sheep and Common Calves Lower—Good Calves and Lambs Steady.

Receipts of live stock at the Union yards were 134 cars, 2375 cattle, 472 hogs, 783 sheep and lambs, 659 calves, and 15 horses.

A comparatively light demand on account of the holiday, and few outside buyers, as well as the hot weather all combined, caused a dull, sluggish cattle trade. Export steers, cows and medium, common frame cattle were easier, but just how much lower would be hard to say.

On account of the holiday the market closed at 1 p.m., when there was a large percentage of the cattle still unsold.

Sheep, hogs and rough calves were lower, but choice calves and lambs held about steady, as will be seen by many sales given below.

Exporters
Wm. Howard bought for Swift and Company of Chicago 150 export steers for the London market, weighing from 1250 to 1375 lbs., at \$6.75 to \$7.15.

Butchers
Choice picked butchers' cattle sold at \$8.75 to \$7, with few at latter price. The bulk of the good butchers' cattle sold from \$6.50 to \$6.85; good calves, \$7.50 to \$8; medium, from \$5.25 to \$6; cows, from \$3 to \$5.75; bulls, \$4.75 to 5.75.

Stocks and Feeds
Feeders, 700 to 800 lbs. sold at \$5.60 to \$5.75; steers, 550 to 650 lbs., sold at \$4.75 to \$5.25.

Milkers and Springers
The market for milkers and springers continued slow with prices about steady, with last week's quotations. The bulk of the sales ranged from \$4.50 to \$6.50, with one or two exceptions at \$7 and \$7.50 being paid for extra choice quality.

Veal Calves
Good to choice quality veal calves sold at about steady prices, but common rough eastern quality calves were lower. Choice yearling sold at \$8 to \$9; good calves, \$7.50 to \$8; medium, at \$6 to \$7, and common, at \$4 to \$5.25 per cwt.

Steady and Watered
There were about 800 sheep and lambs on sale. Light ewes sold from \$2.75 to \$4.25; heavy ewes and rams, \$3 to \$4; lambs, the bulk sold at \$3 to \$3.50 per cwt; cull lambs sold from \$2 to \$3.50 per cwt.

Selects, fed and watered

HENRI ROCHEFORT DEAD.

AIX DES BAINS, France, July 1.—(Can. Press).—Henri Rochefort, for a long series of years one of the most prominent figures in French political life, died here today, from a complication of maladies, at the age of 52.

The real name of Henri Rochefort was the Marquis Victor Henri de Rochefort-Lucay, and he was the son of the Marquis Claude Louis Marie de Rochefort-Lucay, who was a most successful author of light plays.

Rochefort was a most picturesque figure and was always ready to defend his own honor or that of his country, and for this reason engaged in a large number of duels.

NO PLAGUE IN HAITI.

PORT AU PRINCE, Haiti, July 1.—(Can. Press).—During the past ten days no case of suspected plague has occurred at the seaport of Jacmelien, 30 miles from here. A report was published two weeks ago that numerous cases, many of which had been fatal, had occurred there, but this was denied by the administrative authorities, who sent a scientific mission to the port, which was recognized as the existence of an epidemic of fever.

The Haitian Government declares today that the sanitary conditions throughout the republic are perfect.

FOUR SISTERS DROWNED.

ELKHART, Ind., July 1.—(Canadian Press).—Four sisters were drowned here yesterday when the three of them sprang into St. Joseph's River in a vain attempt to save the youngest sister, Grace Schwyn, 7 years old, fell into the river while picking cherries from a limb which overhung the water. The other girls—Alice, 16; Clara, 13, and Ida, 11—attempted to save her and themselves were drowned. The bodies were recovered.
