WHEAT AGAIN SAGS ON LARGE SUPPLY

Big Increases in World's Available Stock Depresses Chicago Pit.

BIG RUSH TO UNLOAD

Argentine's Available Surplus Adds to Weakness in Situation.

CHICAGO, Nov. 9.—Rapid enlargement of stocks, both domestic and foreign, tended today to stimulate bearish sentiment regarding wheat. The market closed nervous, ⅞c to 1¼c net lower, with December at $1.02⅛ and May at $1.03¼. Corn showed a loss of 1-16c for December, but ½c to ⅝c advance for May. Oats finished unchanged to ¼c lower and provisions down 7½c to 35c.

Hurried unloading by owners of wheat took place as soon as figures were posted disclosing a big increase in the world's available stock. The bulls had previously been handicapped by liberal receipts at the chief terminals northwest and southwest of here, but the selling pressure now became much more pronounced and was only a little relaxed in the dealings near the end of the session.

Forecasts of showers that would tend to improve the condition of the newly seeded winter crop formed one of the main elements adverse to any important rally.

Breaks in the price of wheat were followed by reports that as a result farmers in Nebraska and the northwest showed signs of adopting a policy of holding back consignments. Traders friendly to an advance derived a minor degree of comfort also from word that estimates of the Argentine exportable surplus would have to be cut owing to damage done by drought.

Corn developed comparative strength, influenced by opinions that measured by feeding value the total domestic yield this season was but slightly above the crop of 1914. Judged by the same standard, an actual shortage was said to be indicated for the surplus states.

Oats held about steady. Offerings were absorbed by houses that usually act for the seaboard.

Provisions gave way with hogs. Transactions were almost entirely confined to packers and to stock yard speculators.

WINNIPEG GRAIN MARKET.

WINNIPEG, Nov. 9.—Wheat closed ¾c to 1¼c lower. Oats closed ½c higher to 1¼c lower, while flax gained 5c. A feature of today's market was the higher prices on May oats, while the nearby months were unchanged to 1¼c down. Flax prices advanced in sympathy with Duluth, which showed gains for the day of 6c to 7c. Contract grades of cash wheat declined ¾c to 1c.

Prices opened ½c down on all months on wheat. Oats opened ¾c to ⅞c lower and flax opened unchanged to 1c lower. Trading, while of fair volume, was lighter than for some days.

Export trade eased off to some extent and inquiry was less active.

Inspections yesterday 2024 cars, against 374 last year. In sight for inspection 1090 cars.

MONTREAL GRAIN MARKET.

MONTREAL, Nov. 9.—Business in Manitoba spring wheat over the cable today was very quiet owing to the fact that there were firm bids in the market from export buyers, but there was some demand for oats, and sales of several loads were made to London, for December-January shipment at 38s 6d for No. 2 C. W. The demand for grain locally was good. Flour was firm. Millfeed was steady.

GRAIN RECORD AT SOO.

SAULT STE. MARIE, Mich., Nov. 9.—The greatest amount of grain ever put thru the locks here in one operation was handled today, when the steamers Grant Mordan carrying 456,000 bushels of wheat, and the Snyder, Jr., with 460,000 bushels, were passed thru. The Snyder's load was a record for Great Lakes wheat cargoes.

BRITAIN TO PREVENT EXODUS OF SHIRKERS

Passport Regulation Has Been Put Into Force in United Kingdom.

LONDON, Nov. 9.—The British Government today took its first definite step toward preventing emigration of able-bodied British subjects, who in considerable numbers have been using this means at evading military service. A new regulation was issued by the home office, requiring subjects of the United Kingdom who are 19 years old or more and contemplating emigration to apply at the foreign office for passports. If the pastports are refused they must hand to the officers supervising the embarkation the reply of the foreign office to their passport application together with their birth certificates, with photos attached.

ONCE FAMED DACIA SUNK BY GERMANS

Vessel Was Torpedoed While Carrying Number of Rescued Passengers.

ALGIERS, Algeria, Nov. 9, via Paris.—The French steamship Yser, formerly known as the Dacia, which was seized by a French cruiser last February while carrying a cargo of cotton from the United States to Germany, has been torpedoed and sunk by a German submarine.

The news of the sinking of the Yser was contained in an official announcement made public here today. The vessel was sent to the bottom while conveying to Bizerta a number of passengers, rescued from the Italian steamer Elisa-Francesca. All the passengers and members of the crew have been landed.

GOOD BUTCHERS' RECEIPTS LIGHT

Cattle in This Class Scarce at Toronto Stock Yards.

TRADING VERY QUIET

Eased Off Considerably as Result of Heavy Run on Monday.

The receipts of live stock at the Union Stock Yards on Tuesday numbered 91 cars, comprising 1545 cattle, 146 calves, 710 hogs and 1235 sheep and lambs.

Butchers' cattle: Good to choice steers and heifers were in very small numbers, the most of the offerings being of fair to medium quality only, and selling from $6.40 to $6.60. Trading was quiet after Monday's heavy run, and included the selling of left-over stock plus the new arrivals. Values held only steady with the previous day's low levels, and in some places easier prices are noted. Really choice butchers are not quoted over $7.25, while the prevailing bids for good to choice classes were $6.90 to $7.10; light and common kinds sell from $5.25 to $6.75. Cows, with canners excepted, were very weak, going at $4.50 to $6 for common to medium and $6.40 to $6.60 for the good to choice. Bulls, of all the different classes, are in the best market, holding steady with last week's close.

Stockers and feeders: The top price for a straight load of choice feeders is around $6.75, and the most of the best feeders being $6.40 to $6.60. The balance of yesterday's consignment was light and common, selling from $4.50 to $5.25; good yearlings are going at $5.60 to $6.35.

Milkers and springers: The best only are in great demand. Good forward springers and milkers are high priced at $80 to $90. Fred Armstrong paid $120 for one choice Holstein springer consigned to McDonald and Halligan. Late springers are not much wanted at $60 to $70 for the best.

Sheep and lambs: Active and strong market at the top-notch prices quoted for several days for the choice black-faced eastern lambs. Monday's prices on the other grades and sheep were firm. No class is overlooked in this division and the transactions are well over at noon.

Calves: All classes steady only at low levels established last week, excepting probably choice veal which, being scarce, reached $10.50.

Hogs: Under another light offering sellers were in no hurry to accept $8.75 and hogs found a strong market, selling from $8.75 to $8.85 and $8.90 for the best quality of selects.

Market Notes.

A. A. Macdonald of the firm of Laidlaw and Macdonald of the Fort Ranch, who is noted for handling first-class stockers and feeders, sold one choice load of deborned steers, 930 lbs., at $6.75, to Rennie Bros., Dearborn Township.

The following drovers who ship by the G.T.R. via Midland division, viz., C. J. Campbell, R. A. Grant, Jos. Stone, E. Hillson and R. Brown, complain of having had poor service for many weeks past. They stated that when their shipments arrive at the Don Station, where the hogs are taken off, the cattle, instead of going thru to the Union Yards, are held for many hours. On Monday their stock arrived at the Don at 7 p.m., but did not reach the Union Stock Yards before 3.30 a.m., and were not unloaded before 4 a.m. Tuesday. Violent shunting is complained of, by which much damage is done to stock by the breaking down of partitions in the cars.

Motor Cars

IT IS NOT to be expected that cars are selling as quickly as in the spring and summer; therefore, do not take for granted that all the cars you have seen advertised are sold, just because they are not advertised daily. As a matter of fact, my garage is literally packed with used cars of many makes and types, among which are many Fords at attractive prices, and if you do not take the trouble to call before making purchase it will be "up to you" if you pay more elsewhere. To owners: There is ready cash waiting for your Ford, but I simply refuse to pay fancy prices, especially if they need attention, because much as I do not like "fixin' them up" to sell, but send them to the Ford plant, and pay "the sho." necessary. This is the season when purchasers expect to get cars at reduced prices, and they are now beginning to buy. In a short time you will be compelled to store your car for the winter, if you do not sell now. Make your price right, and get the cash. Breakey's Used Car Market., 243 Church St.
