

TWO VALUABLE REFERENCE BOOKS BY
THE AUTHOR OF "HISTORICAL LIGHTS."

Cyclopedia of Classified Dates.

A READY REFERENCE COMPENDIUM OF NOTABLE
EVENTS IN THE HISTORY OF ALL COUNTRIES,
FROM B.C. 5004 TO A.D. 1895. :: :: :: ::

The histories of about 130 countries are digested, and the events of ancient, modern, and recent times, dated, and all geographically classified, and both chronologically and topically arranged. The work is the result of several years of diligent labor and research, and is the only volume in existence which furnishes an epitome of the history of every country down to 1895.

The unique feature of this book is that by which quick reference is facilitated and a general purview with the notable trend of history is observed; namely, the classification of the events of the civilized world under seven general topics, as Army and Navy, Art, Science and Nature, Births and Deaths, Church, Letters, Society, and State; and these topics are always arranged on two opposite pages. All the dates relate to the same years, or parts of years, and all the dates of the same period are brought together before the eye at once—an arrangement by which a comparison of parallel events in any department of history may be readily made, and the side-lights of any event examined and studied.

The student of Politics, Science, Religion, and Church History, Sociology, Art, Law, Medicine, or of any of the Professions or Industries of civilization, or of the known events of barbarous peoples, will here find abundant and accessible historical data.
