Gentlemen who suffered with Rheumatism 15 years ago, and for the past 3 years with indications of Bright's Disease, especially those suffering a cure, but all in vain, until the Ring for Rheumatism was recommended. Your Swiss Electro-Chemical Ring so highly that sent me one. Have been wearing the ring ever since, and last week after I paid it on, never had a touch of rheumatism, and not a sign of kidney trouble. I would not part with the ring for \$1000 if I could not get another very truly yours. A. H. H.
