CONVOCAION AT VARSITY. AWARDS PRESENTED IN THE GYMNASIUM.

Awards Presented in the Gymnasium. Outside Encouragement in the Way of Medals and Prizes from Distant Friends.

Hon. Edward Blake Comments on the Present System of University Government—Liberal Policy, Apart from Party Politics, Advocated—Proposed New Building, and State of Finance—The People Can See the Government Does the Right Thing in University Patronage.

After the presentation of the prizes, medals, scholarships and fellowships at the joint convocation of the University of Toronto and the University College, held at the Gymnasium last night, President London made some interesting announcements and Hon. Edward Blake an important deliverance.

President London stated that he had received a letter from Ottawa offering to the University two gold medals, one for mathematics and the other for physics. The first medal is presented in books for the University, a distinguished alumnus of the University, and the other by him, together with other prizes, to the students of the University.

President London stated that he had received a letter from Ottawa offering to the University two gold medals, one for mathematics and the other for physics.

FOURTH WARD APPEALS. MARSH FIRES AND DROUGHT Have Caused Great Havoc Across the Line.

Have Caused Great Havoc Across the Line. Farmers Fighting Fire. Night and Day They Toiled Until Utterly Exhausted.

Household Goods Moved to Places of Safety and Homes Sacrificed—Southern Illinois Has Suffered Heavily—Corn Damaged 50 Per Cent, and All Late Vegetation Nearly Ruined—Water Famine Threatened.

Niles, Mich., Oct. 7.—East and north of this city the terrible marsh fires still continue. Farmers have fought the flames night and day for a week, and are utterly exhausted. They have moved their household goods to places of safety, and have sacrificed their homes.
