Archabold's Department Makes Bluff at Working With Some Effect.

NINE PRISONERS TAKEN IN QUOD,

Two Young Ladies Had a Narroy Squeak at Mrs. Revis' House

on Bleecker-Street. During the past few days the officials o the Morality Department at Police Headof persons suspected of practising witch craft, or fortune-telling.

C. Chapman, with the aid of the police on, made the rounds in the early part one week. They went from place to, and in each instance left without drig any suspicion. The evidence in cases, the police thought, was suffito warrant them in making arrests, necessary documents were made out rday and given to Detectives Siemin, est and Verney to execute. At every the persons wanted were at home quietly submitted to arrest, frhose Under Arrest.

Created a Sensation.

e arrests created a sensation about quarters last night. Friends of the mers were anxious to get them out on Deputy Magistrate Kingsford signed bonds for all the prisoners, with the prison of Mrs. Gray and Mrs. Revis, had to be content with remaining in cells all night.

be the police visited the home of Mrs. s yesterday afternoon there were two y damsels having their fortunes told leans of playing cards.

prisoner W. R. Colby is only rey from the United States and Canada.

The suspension is announced of W. O. Pitfield & Co., wholesale dealers in dry-goods, and one of the best known firms in St. John, N. B. The liabilities are understood to be large.

The faculty of Princeton University have decided to allow all students who have been suspended during last year on charges of hazing to return, with one exception, which is peculiar.

The London Daily Graphic denies that Russian troops are at Niu-Chwang, China. Some Russian soldiers whose time has expired have been engaged as policemen, and this accounts for the report.

Thirty dollars a month has been granted to the mer the United States and Canada.

CEYLON TEA

In the cup shows an amazing superiority over all others. Sold in sealed lead packets only. All Grocers. 25c, 30c, 40c, 50c

It is stated that Sir Wilfrid Laurier's proposal for Senate reform does not meet with favor in Great Britain.

Since the reduction of postage the clerks at the Kingston postoffice say that there has been a great increase in mall matter. Heavy rains have caused extensive washouts on railroads in Central Mississippi, and the general condition is the worst known in

this accounts for the report.

Thirty dollars a month has been granted to Mrs. Rida B. Haskell, widow of the late Brigadiler-General Joseph S. Haskell, who was wounded at El Caney, July 1, and dred from the effects Sept. 16, 1898.

News from St. Petersburg is to the effect that there is almost universal sickness there from la grippe. Flooding of the Neva River, bad drainage and susanitation are noted as causes of the trouble.

Admiral Dewey will be retired by law next December, unless special action is taken by Congress to keep him th command. Admiral Watson has, it is said, applied for Admiral Dewey's position.

Yesterday was "King's Holfday" at Ha-

Yesterday was "King's Howday" at Havana, and the day was observed by the closing of business houses, just the same as when Spain ruled there. The Americans, however, kept the public offices open. John Heale of Flint; Mich., peeped in at windows and then told stories about what he saw. A number of the slandered women got after Heale and horsewhipped him until he begged for mercy and promised to behave himself in future.

Viscount Cromer yesterday laid the foundation stone of the Gordon Memorial College at Khurtoun, Egyptian Soudan. The speech of the Viscoun; on the occasion, setting forth the aims of the college, was well received by the natives.

Mr. Lionel E. G. Carten, has been seen

HELD A PUBLIC INSTALLATION.

Germania Encampment Instal Officers at Liederkranz Last Night.
For the first time in Canada, the installation of new officers into the Knights of St.

John and Malta was made a public affair last night. The encampment to introduce this innovation was the Germania, No, 8, and the affair took place at the Lieder.

Well received by the natives.

Mr. Llonel E. G. Carden has been gazet ted British Consul-General for the Island of Ouba. Mr. Carden was until recently British Consul-den was until recently British Consul-den was until recently 15 years ago he was British Consul at Havana, where he married an American lady. A number of Yukon steamers will be 'ost when the ice breaks up in the spring, according to reports from Dawson City. Some were caught in unprotected places. General John Eaton has sailed from Washington for Porto Rico to supervise education on the Island.

entertain the anjunction, but the junior judge, Edward Eliott, held his opinion until to-day.

The Canada Screw Co., located at Hamiton, which was owned by the American Screw Co. of Providence, R.I., has been disposed of to a Canaddan company, with C. A. Birge, the present manager, at the head. The concern has a capital stock of \$5,000,000 and the business will be carried on as usual.

During December 213 English, 23 Irish, 23 Scotch and 363 foreigners emigrated to Canada. For the whole year 1898 the emigrants to Canada were 15,074 English, 851 Irish, 1740 Scotch and 9854 foreigners. During December 881 Britishers sailed for Australia and 1828 for Cape Colony, the total for the year being 41,020 for Australia and 25,641 for the Cape.

Norway and Sweden continue in a state of dissension, and it is said that war between the two countries is not unlikely. Both Norway and Sweden have grievances. Norway objects to a Swede being sole director of foreign affairs for the two countries, while Sweden kicks because Norway only contributes 25,000 out of 100,000 men for the Scandinavian army.

A correspondent at Ilodio, Philippine Islands, denies the reports that cruelty has been practised in the treatment of prisoners. It is further stated from Manfia that the Fillipinos are unwilling to surrender to "strangers." The Independencia, a native paper, says the situation is most grave, and that, unless the Americans abandon their annexation, policy, there will be a bloody war.

HAPPENINGS OF A DAY. Items of Passing Interest Gathered in and

John Barkworth, the young man arrested at Hamilton on a charge of stealing \$12.25 and three promissory notes from C. Goode of the Salvation Army farm on Danforth evenue, will be tried by Judge McDougall this morning.

Attention is directed to the advertisement

Attention is directed to the advertisement in another column of Mr. Henry Maclean, who during a number of years has occapled high positions in the accounting and financial departments of leading concerns in Canada and the United States, and now engaged in the auditing and accounting business here. There is no doubt Mr. Maclean will receive the measure of public patronage to which his wide experience and thorough knowledge of such matters justly entitle him.

The Demon Dyspepsia—In olden times it was a popular belief that demons moved invisibly through the ambient air seeking to enter into men and trouble them. At the present day the demon, dyspepsia, is at large in the same way, seeking habitation in those who by careless of unvise living invite him. And once he entersa man it is difficult to dislodge him. He that finds himself so possessed should know that a valiant friend to do battle for him with the unseen foe is Parmalee's Vegetable Pills, which are ever ready for the trial.

Ald. Hallam is still suffering from the and the affair took place at the Isleder-kranz Club. After the installation had been gone through, a splendid repast was served by the ladies of the encampment. The following are the officers who were installed, Grand Prior John A. Cowan officiating at the ceremony:

Commander, A. Heintzman; Heutenant commander, A. Sues; captain of guard, J.

A Prominent Dresden Citizen Tells an Interesting Story.

How Dodd's Kidney Pills Cured Him of Rheumatism and Gont, After the Best Doctors and Many

Medicines Had Failed. Dresden, Jan. 6.-This town boasts Dresden, Jan. 6.—This town boasts a peculiarity of which its people may well be proud, as it proves beyond dispute that they possess that desirable attribute, common sense, in no small degree. That peculiarity is the remarkable decrease in the number of cases of Rheumatism during the pest few years.

Elight years ago, Dresden was afflicted by that curse of modern civilization, Rheumatism, to as great an extent as any other

matism, to as great an extent as any other place of its size in the Dominion. To-day

"strangers." The Independencia, a native paper, says the situation is most grave, and that, unless the Americans abandon their annexation policy, there will be a bloody war.

which men are constantly grappling, but cannot exterminate. Subdued, and to all appearances vanquished, in one, it makes its appearance in another direction. In many the digestive apparatus is as delicate as the mechanism of a watch or scientific instrament, in which even a breath of air will make a variation. With such persons disorders of the stomach ensue from the most trivial causes, and cause much suffering. To these Parmelee's Vegetable Pills are recommended as mild and sure.

The condition of William Carmichael, who lies in St. Michael's Hospital, is still critical.

District Passenger Agent M. C. Dickson of the Grand Trunk was in Tilsonburg yesterday.

Miss Florence German, who has been ill through the effects of a fall, is recovering nicely.

The condition of Sir Frank Smith remains about the same. There was not much improvement last night.
