

SERVICE TO THE NATION DEMANDS GOOD HEALTH

War is bringing home to every man, woman and child the fact that service to the nation is not a matter alone for the soldier and sailor and munition worker.

There is work, necessary work, for everyone to do, in the way of thrift and production and to do this work, health is the first essential. Even the most willing will find progress is slow if the health is bad.

Probably the most common complaint among those doing unaccustomed tasks is backache. Work may cause a tired feeling that will easily pass off but this backache that almost doubles one up is an indication of a condition of the system that needs treatment. The Kidneys are giving evidence of their weakness and the sufferer should be thankful for the timely warning given by this pain.

The quickest and surest relief from backache is a treatment with Gin Pills. Gin Pills are the tested specific for the healing of the Kidneys. Anyone who wishes to perform his or her full duty to the Nation in these strenuous times will find relief from backache in Gin Pills.
