Remnants of Heavy Linoleum, in good variety of block and floral patterns; mostly 2 yards wide; Reg. .50 to .75. Fourth Floor.

#### Limited Number of Manure Spreaders Clearing at \$73.50

This spreader is easy-running and easy to load. Capacity, 60 bushels. Feed can be regulated to spread from 8 to 24 loads to the acre, as desired. Feed is regulated by changing position of operating lever, which is within reach of driver, and can be made without stopping the team or driver leaving the seat. Will not clog or get out of order easily.

Frame is built to withstand any strain the spreader can be put to in actual use. Wheels and axles are all steel. The front truck will turn short under the spreader. Body or box is built entirely of hardwood fastened with bolts. The bottom of spreader is an endless apron consisting of a series of slats which work on rollers, keeping the load so that it is easily handled by roller. Automatic rake acts as an end gate. Cylinder is all steel. We can supply repair parts at all times. Reduced price to clear . . . . . **73.50**

—Farm Implement Dept.
