The Races!

Soft green of turf, misty under May sunshine, the glowing spectacle of exquisitely-gowned women and formally-clad men, the hoarse, eager buzz of voices at the paddock rail, the flash past of nervous thoroughbreds galloping. A few days away, and yet the vision of this fascinating sporting occasion of all the year is with us.

What colors there'll be! What gowns! What hats! What a panorama of fashion and beauty as everybody strains forward, breathless, to watch the little brown squadron bunch at the turn and stream out beyond.

For opening day Nature is planning to put forth her most delicate hues and graces. So is Milady. That is why our French rooms and Salons are fairly humming these days with discriminating shoppers.

It will interest you to know that we are making special displays today of suits, wraps, frocks and millinery for the great event.
