URGENT SALES TAX ON IMPORTATIONS

Wholesale Grocers Prefer Collection From Manufacturers—Officers Elected.

Favoring the collection of the "sales tax" by the government solely from the manufacturers and on importations, by the customs authorities, the wholesale grocers of Canada at the second session of their convention held in the King Edward Hotel yesterday passed a resolution accordingly. The feeling of the meeting was for one tax equitably imposed, early collected and not spread over several transactions. C. F. Biddle, bureau of business research, Harvard University, said that the last investigation of the bureau into the wholesale grocers' showed that the cost of doing business was 8 1/2 per cent. of the net sales. He dealt at considerable length on the costs of doing business by the wholesale grocers and said that the most perform their functions with economy, upon which depended success. He said that many wholesale grocers lacked a knowledge of the cost of doing their business which spelled loss. Mr. Biddle said that the common figure for net profit in 1919 was 11.1 per cent. for the net sales. He pointed out that the wholesale grocer who showed the lowest gross profit in 1919 had the lowest total expense in percentage of net sales, and that the company with the highest gross profit had the highest total expense. He urged wholesalers to turn over a lower ratio of costs.

Officers for the year were elected as follows: president, Hugh Bialin; 1st vice-president, Armand Chaput, Montreal; 2nd vice-president, Louis Petrie, Calgary; 3rd vice-president, Charles H. Peters, St. John; treasurer, T. H. Kinnear, Toronto; and secretary, A. C. Pike, Toronto. The executive committee was appointed as follows: Alberta, John Home, Calgary; R. J. Bradley, Edmonton; Saskatchewan, J. M. Bean, Weyburn; J. D. Miller, Saskatchewan; Manitoba, J. Weideman, Winnipeg; Ontario, Col. Craig, Kingston; G. R. Lloyd, Hamilton; Quebec, Z. Hebert, Montreal; J. S. Royce, Quebec; New Brunswick, J. B. Schofield, J. F. Edgett, Nova Scotia, L. K. Bezzant, D. Morrison, Amherst. As no representatives were present at the convention from British Columbia and Prince Edward Island, the vacancies for these provinces were not filled. At the conclusion of the convention the members motored round the city and out to Scarborough Gold Club where dinner was served and photographs of the delegates taken.

RESTAURANT PRICES

Chief of Police Has Conference With Mayor—Proprietors for Discussion.

Chief of Police Dickson had a conference yesterday with Mayor Church regarding the campaign launched by the board of control against high food prices, particularly ten-cent tea, and, as a result, the chief will write several lunch-counter proprietors, asking them to call at his office next Monday to have a discussion of food prices with the board of police commissioners and Dr. Hastings, M.O.H. The increase of the price of tea and coffee from 5c to 10c by some of the restaurants called forth a motion by the mayor to cancel their licenses, but it seems the board of police commissioners cannot do that without just cause, such as taking excessive profits. It will be up to the restaurants to prove that they are not overcharging.

OPEN AIR MEETINGS

Toronto Business Men Will Cooperate With Salvation Army During Exhibition Period.

One hundred business men of Toronto have offered to co-operate with the Salvation Army in monster open air meetings arranged at special stands every week night during the two weeks of Exhibition, commencing at 8 o'clock. The principal stands will be Yonge and Albert street, Temperance and Yonge, Spadina and Queen, and Sunnyside station. There will be a special instrumental and vocal program. "For many years," said J. M. Gardner, managing director at Migh's Directories, one of the active laymen in the movement, "Christian people have seen the great opportunity for aggressive work presented by the more than a million attendance of city people and outside visitors at Exhibition time. This year the Salvation Army had shown its leadership in launching a special campaign. They approached over one hundred business men to co-operate in the time-honored custom of proclaiming the Gospel in the open air. The men approved of the movement as fundamentally sound, along the right line, and very urgently needed. They welcomed the opportunity, and commended the Army for presenting a method as practical."

With Lieut.-Col. William C. Barker, V.C., D.S.O., etc.; Lieut.-Col. William (Bury) Bishop, V.C., D.S.O., etc., and a number of decorated Royal Air Force officers, the Canadian aviators will be well represented in the parade and reception to the Canadian V.C. heroes today. Major Bert S. Wemp, D.F.C., etc., president of the Aero Club of Canada, has issued a call to all aviators to turn out, meeting at the steps of Trinity College at 1 o'clock. Field service khaki uniform will be worn with breeches, field boots or puttees, and stick and gloves. Three coveted crosses were won by Canadians in the Royal Air Force during the war, setting up a total of well over one hundred enemy machines destroyed, besides many other daring exploits. Lieut.-Col. Barker probably has more decorations than any other Canadian officer. He started in the war, a young man, a civilian, his left chest bare of medals. His honors include the V.C., D.S.O., and bar; M.C. and two bars, D.F.C., the French Croix de guerre and the two Italian decorations.
