Mary's School to Take

Place Tomorrow.

Newcastle, N. B., Jan. 12— The new academy erected by the congregation of St. Mary's church is now practically completed and will be formally opened on Tuesday next. The new building, which is situated in Regent street, directly opposite the old building, presents a very imposing appearance and adds materially to the many important buildings in that section of the town.

The building is constructed of local stock brick with cut sandstone trimmings and has a frontage of 65 feet and depth of 85 feet, two stories and high basement. The ground floor is entered by a wide reinforced concrete stairway which opens into a hallway running across the front of the building. This hallway is 18 feet wide and has stairways at each end going to the second floor and also down to the basement. Facing the entrance is a corridor running lengthwise of the building. This is 14 feet wide and has wardrobes on each side. At each side of the second control of the second floor are classrooms 24x30 tends to the first of Lands in the British Columbia cabinet, sized up the position of his province in the financial world when addressing the Canadian Club here yes the congregation of \$5.

The cost of the building will be in the cost of the building of \$80,000 and a large portion has already been raised by \$t.
