GREAT OPPORTUNITY FOR THE WORKINGMEN ALL THIS WEEK

All this week will be set aside by Oak Hall for working men. Oak Hall have selected many lines from their regular stock which are marked at greatly reduced prices. These lines, along with many new lines which have been specially bought for this occasion at rock bottom prices, will make this week at Oak Hall the greatest opportunity that has been offered the working man for many a day to save many dollars on his winter wearing apparel. Everybody knows that good merchandise is costing more than it used to, that it is harder to get, that the whole cost of living is much higher. By taking advantage of Oak Hall's offer this week much pressure on the pocket-book will be relieved. See detailed information on another page of this paper.

BEWARE OF TENDER, INFLAMED GUMS

Pyorrhea, with a premature loss of teeth, is almost inevitable if you do not properly care for your gums. Here is the explanation:
As you age, the body tissues naturally relax. You see this tissue loosening in the neck. It goes on in your gums, too. As you grow older, your gums shrink below the normal gum line. Through lack of care they become spongy and inflamed. Then you have Pyorrhea (Riggs' Disease). Four out of five people over forty have Pyorrhea. And many under forty, also.

Don't let a tender gum spot develop. These tender spots breed disease germs which enter the system through tiny openings—infected the joints or tonsils—or causing other ailments. Immediately get Forhan's, which positively prevents Pyorrhea if used in time and used consistently. Forhan's tones the gums and hardens them. They in turn keep the teeth healthy. Brush your teeth with Forhan's. It cleans them scientifically—keeps them white and clean.

If gum-shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment. 30c and 60c tubes. All Druggists.

Active Christianity Will Mend the World

THE United National Campaign—representing the co-operative feature of the simultaneous, but independent, Forward Movements of the Anglican, Baptist, Congregational, Methodist and Presbyterian communions invites all followers of our common Lord and Master to pray earnestly for the peace and well-being of Canada and the world, and for a renewal of the Christian spirit of sacrifice and service.

Thirteen National Conventions

Thirteen National Conventions are about to assemble at the call of the United National Campaign. The dates arranged, and the places of meeting here follow:—

November 24th and 25th Toronto and Montreal.
November 25th and 26th Montreal and Moose Jaw.
November 26th and 27th Regina.
November 27th and 28th Saskatoon.
December 1st and 2nd Edmonton and St. John.
December 2nd and 3rd Calgary, London and Halifax.
December 4th and 5th Charlottetown and Vancouver.

The Objects of the Conventions

1. To give thanks to God for Victory.
2. To re-affirm the principle that the Gospel of Christ is the only cure for those conditions which produced the world war, and the only foundation for ensuring national stability, social welfare and individual happiness in the day of peace.
3. To stimulate the practice of prayer for individual and national needs at this difficult period.
4. To re-affirm the principle that the Gospel of Christ is the only cure for those conditions which produced the world war, and the only foundation for ensuring national stability, social welfare and individual happiness in the day of peace.

The Reason for United Action

His Grace, the Archbishop of Canterbury, preached the opening sermon of the Church Congress held at Leicester, England, on October 14th, 1919. On that occasion, he said:—

"We ought to be able to make more of the real oneness, which, thank God, is already ours, the oneness, both in faith and in potential action, of all who can and do kneel to Christ as their living Lord. We want to dwell upon and foster the power of that fellowship for united impact upon the world, or penetration of the world, at an hour so inexpressibly difficult as this. That need not, it will not, interfere with complete loyalty to the distinctive truths, which in our smaller circles within the Church of God we conscientiously hold dear."

"The corporate life which belongs definitely to our own Churchmanship claims our whole-hearted allegiance. But that allegiance acquires an element of peril if it becomes so disproportionately as to obliterate or mar our loyalty to the larger whole, the Christian fellowship, the God-guided life and energy of all who profess and call themselves Christians."
