## The St. Andrews Standard.

Saint Andrews, Oct. 16, 1878.

A Word to Subscribers. We have waited patiently for a compliance one to five years to pay the amount due, and in justice to ourselves and them, their accounts

THE NEW GOVERNMENT.

The Mackenzie administration resigned with the new government, on the 8th instant, and the Conservative Ewes-1st David Johnston, 2nd Alax party Sir John A. Macdonald was called meeting of the Dominion Parliament.

as they are sadly needed. The electors of ber generally is. the Dominion by a large majority, have relied upon Sir John's word, accepted his The Rifle. Some excellent firing was done the wheels of prosperity in motion, and B. Engineers, St. John, and the 71st Battalion, The spectacle along the east end of Lake On bring about good times. We must wait Eredericton. The score stood, however until Parliament meets and then the "National Policy" will be inaugurated. The remedy, according to the speeches of he victorious candidates is a strange one lerstand it, and must fall back upon the for a St. Andrews boy. ald adage-"time will tell."

We admit that the responsibilities of the ew Ministry will be great; they have taught the people to expect great things.

Mr. Mackenzie's government: and they must now satisfy them, and reeure for Canada a reciprocity of trade. The work is a-difficult one -teven with the prospect of better times in the near future, and we fervently hope that whatever "policy" may predominate, the integrity of the Em pire will be maintained, and all attempts country's enemies.

The Exhibition

Held at Fredericton in the new Exhibi tion Palace, was the centre of attraction all last week. The city was erqwded with persons from all parts of the Province.

> The British Columbians are as deeply prejudiced against the Chinese as the Californians. By recent ensetments the Legis. lature undertook to make the Chinese in the province a class apart from the rest of the population, and to place them under special surveillance. A despatch announces that this legislation has been pronous unconstitunal by the Supreme Court of the province; but it is none the less interest-ing as indicating the popular feeling. Every person of Chinese years old was required to provide himself with a quarterly permit to live and labor, and this permit most be paid for in advance price ten dollars. Any one unable to pay must work out his tax on the provincial works. The production of the licenso-might be demanded on tell bridges, in lodging houses, and in places of labor! its non production was to be taken as proof of its n-possession, and any Chinese found without the required license, or any person employing an unlicensed Chinaman was liable to a fine of \$100, or in default, to imprisonment at hard labor for two months. A Chinaman who failed to prove docite while toiling out his license on the public works might be sentenced to imp ment with hard labor.

A Despatch to the Daily NEWS, dated Ottawa Oct. 14, says:

Sir John A. Macdonald and Dr. Tapper left this afternoon for Montreal. Hon. J. O'Connor will join them to-morrew and on Thursday the new government will be sworn in by Lord Dufferin.

Mr. Masson will arrive from Burope on Wednesday.

New Brunswick will have two representatives as usual in the Cabinet. Sir John will sit for Victoria in the com-

mons. He will resign in favor of Ryan in Marquette. Mr. Laflamme has resumed law practice

Mr. Mackenzie will remove to Toronto
