ment. The nurse and the two younger children, were seated at a low table book-keeper, Blitterman. He seemed carefully on a nail, and opening the door of the wood-house, he brought out

Two well-painted portraits in oil hung efforts to discover the lost merchant a chopping-block, two axes, a double saw, and two blue linen aprons, one of which he put on himself, and handed the other to his clerk.

"How much there is in a habit," he lady, his mother, now sitting beside him. The father was drawn with a woman handed in at the gate of the merchant's house a letter directed .--

"To Frau Agnes Librecht (the younger),
"Miengasse No. 6,
"Frankfort.
"To be given into her own hands." Agnes withdrew into a room where she could be alone to open her letter. It seemed fortunate that the book-keeper should have waited near the chamber door, listening to every sound, for scarcely a moment had elapsed before a sharp cry and a heavy fall were heard within. Blitterman rushed in, and Cn Mondays, Tuesdays, Wednesdays, Fridays found the young wife senseless on the will leave John Jardine's for Chatham at 9.00 a. m. And Chatham for John Jardine's at 2.00 p. m. floor, with the letter in her hand. He took it and glanced over it, and then endeavered to restore Agnes to con-Librecht opened her eyes, but seemed to have forgotten how she came to be

there with Blitterman standing over "Poor lady!" said a sympathizing voice, "it is a heavy trouble, but bear up; try to endure this sad affliction; dren, you must wish they should respect International Steamship Company. command yourself. You have his chiltheir father's memory, and you have your husband's reputation, which you must jealously guard. All-everything, will depend on your courage."

Agnes put her hands before her ghostly face with a shudder. Removing them Are you, then, aware of the extent of TRI-WEEKLY LINE.

"I only guess it from the few words which caught my eye when I picked up the letter in Herr Librecht's own hand writing. You will do well, lady, to let no one see it." The paper rustled as she received it

n her trembling hand. "Is it true, then?" she asked. "Is t not a dream?" Blitterman shook his head in silence. 'If I had not read it in his own hand

writing I should not have thought it possible. "Oh, if he had only known how much we all loved him," said Agnes, "he could never have left us in this dreadful

manner.' said Blitterman; " but still I can not understand that any distress should and when I have to pass through any serve them from the shadow that would

Agnes listened stupefied, bewildered.

"Alas! poor lady, your mind is over-Agnes had again fallen into a state grave and decorous composure suitable

Left alone, Agnes gazed at the let-

"My DEARLY-LOVED AGNES: Forgive me and do not hate my memory; when this reaches you the waters of the river "I asked you with the best intention; I thought the exercise would be as good for you as for me. However, in future, Siegart, the market-servant shall work with me instead of you. It will be easy to him, and he can really help me better than you can."

"Surely you are joking, sir!" said Blitterman; "you can not really intend that your servant should join you in this occupation!"

"He means he has had enough of "Why not?" said Lebrecht; "you wood-cutting," said Herr Librecht, and it is better than you can."

"He means he has had enough of "why not?" said Lebrecht; "you wood-cutting," said Herr Librecht, and it is better for you all that I should die; I should only bring word-cutting." said Lebrecht; "you wood-cutting," said Herr Librecht, than I could ever make you.

"Ah! Herr Blitterman, imiserable, I can endure life no longer—ment. I know it has kept you in dread of me, and now that poverty and ruin stare me in the face, I will at least relieve you from the burden of my presence You and your children will be happier after awhile, and it is better for you all that I should die; I should only bring word-euting when the will make it painful for me to write for awhile; and it is better for you all that I should die; I should only bring word-euting when the matter?"

"He means he has had enough of the word-euting," said Herr Librecht, what is the matter?"

"He means he has had enough of the face, I will at least relieve you from the burden of my presence You and your children will be happier after awhile, and it is better for you all that I should die; I should only bring word every said the province will be a friend to you; and he knew all my mind.
