CHILDREN.

In Ireland a belt of a woman's hair

ongue, but better reasoning powers. A daughter born during the waning Two or Three Anecdotes of Its Wellon is always precocious. 'At the birth of a child in Lower Brittany the neighboring women take it in charge,

all be lukewarm; put two Remsen tablets in a cup with one tablespoonful lets in a cup with one tablespoonful cold water; let stand a few minutes, then mash it fine and add it to the milk, let stand in a warm place till firm, set it aside till cold, then put in the freezer and freeze till it begins to thicken, add the beaten whites of three eggs; and continue to freeze till firm; take out the paddle, smooth the cream, draw off the water and refill with salt and ice: put a cork or a co

serve. This will make nearly two Mix one pint cream with one pint

milk, add one cupful sugar and two teaspoonfuls vanilla extract, and freeze.

Always cook fresh fruits in boiling is placed about a child to keep harm water; generally but a small amount PROPRIETOR

By placed about a child to keep harm; water; generally but a small amount away, and garlic, salt, bread and steak are put into the cardle of a newborn baby in Holland. Roumanian mothers tied red ribbons around the an acid is converted into glucose, and ankles of their children to preserve it will require nearly twice as much its will require nearly twice as much its required. If economy is a point to and most fertile of the Hawaiian isles, the narrow, lava covered strip of land devoted to the greatest pesthouse known to history is the most desoplace in these good women. Steam Engines and Boilers, Mill Machinery of all kinds them from harm, while Esthonian mothers attach bits of asafetida to the fruit if added before cooking as it will require nearly twice as much sugar to give the same sweetness to the fruit if added before cooking as it will if added when the fruit is done. On the other hand, if the fruit is one which you desire to keep whole, sugar added to the fruit will aid in this direction, as it abstracts the pince of their children. The knife is also used for the same purpose in some parts of England. Among Vosges peasants children born at a new moon are supposed to have tongues better hung than others, while those born at the last quarter are supposed to have tongues but better reasoning powers.

THE ARTFUL RAVEN.

It was among the most descontant the sugar to give the same sweetness to the fruit is done stopy in all Hawaii. It is only a few hundred acres in extend barren spot in all Hawaii. It is only a few hundred acres in extend there can be them from harm, while Esthonian mothers attach bits of asafetida to the fruit is done. On the full if added when the fruit is done. On the other hand, if the fruit is done which you desire to keep whole, sugar added to the fruit will aid in this direction, as it abstracts the juice of their children. The knife is also used them from harm, while Esthonian mothers attach bits of asafetida to the fruit is done. On the fact the fruit is done. On the fact the fruit is done which you desire to keep whole, sugar added to the fruit, thus slightly hardening it.

If the was among the inmates of the sort was not hat the greater portion of the ground is strewn with sharp, flinty rocks of volcanic origin, writes a correspond-tent.

If the was among the inmates of the fruit is done which you desire to keep whole, sugar added to the fruit will aid in this direction, as it abstracts the juice of fruit, thus slightly hardening it.

In the centre of the settlement rises about the face, while those of the fruit, thus slightly hardening it.

SCHOOL AND NERVES.

When a child enters school life, its physical development is at once put in jeopardy, writes Dr. F. E. Epley. The confinement is irksome to him, vicious habits of position are learned and, I am sorry to say, actually taught and image and sorry to say, actually taught and some or construction of the trick, he rose in the date to realize the meaning of the trick, he rose in the date to realize the meaning of the trick, he rose in the air, flew swiftly back, caught the solution of the pacific, attracts immense quantities of moisture, which, forming into clouds, pours upon the poor in almost incessant deluge. At other times the fierce sun of the tropics is so angry that he chased them from the son in the leper more uneadurable, the great black wall of lava, which stretches far out into the Pacific, attracts immense quantities of moisture, which, forming into clouds, pours upon the poor in almost incessant deluge. At other times the fierce sun of the tropics is sending down his scorching rays.

ONE WAS ENOUGH.

Agent—Do you think I could sell your father a lightning rod, little boy?

Boy—Nope; dad's already got one rod an' dat's got enough lightning in it to burn me an' der dawg up wid.

Each member of the party was supplied with a sturdy little island horse, and following a tortuous trail through a village of small cottages and huts when the day little home life of the lepers. Here and there we came across a neat, well kept cottages, but most of the dwellings were filthy beyond description.

The Bishop Home for Leper Girls, erected by a worthy citizen of Honothree eggs; and continue to freeze till firm; take out the paddle, smooth the cream, draw off the water and refill with salt and ice; put a cork or a paper cork in the top hole of cover, cover the whole with a piece of thick paper, let stand one hour, then

THE LEPERS OF MOLOKAI.

SOMETHING ABOUT THE LIFE OF THESE POOR PEOPLE.

THE POOR P

live and die on this barren lava plain.
The Mother Superior has been at the settlement for fifteen years and the other Sisters for about five years.
The girls are instructed in needle-Women and Innocent Bables.

While Molokai is one of the largest

sides the waves of the Pacific break and roar against its rock bound shore, while from the land side rises a perpendicular wall of black lava, which, mingling with the clouds at a height of 3,500 feet, shuts out from the hungry eyes of the lepers a vista of beautiful valleys and rolling hills clothed in the magnificent green of a tropical vegetation, with vast stretches of waving golden sugar cane and groves of lordly palms, and trees heavy with fruit and flowers.

A NATURAL PRISON.

Kalaupapa is a natural prison, from the side was a shown that with the side was a shown that windly humans and intelligent treat. sides the waves of the Pacific break A short distance from the Bisho bones. It is then wrapped in a tight bundle and its lips are anointed with brandy to make it a full Breton. The Grecian mother, before putting her child in its cradle, turns three times around before the fire while singing her favorite song to ward off evil spirits. The Turkish mother loads her child with amulets as soon as it is born, and a small bit of mud, steeped in hot water prepared by previous charms, is stuck on its forehead. In Spain the infant's face is swept with a pine tree bough to bring good luck.

of these stories tells how a raven, by a skillful stratagem, got a young have for its dinner. It had pounced upon the little animal, but the mother to follow him, and trees heavy with fruit and flowers.

Then the raven slowly retreated, encouraging the mother to follow him, and even pretending that he was afraid of her. In this fashion he led her to a considerable distance from which there is no escape, and as if the young one, and then, suddenly, before the hare had time to realize the meaning of the trick, he rose in the
