There is a world of meaning in the three words: OPPORTUNITY, EFFORT, REALIZATION. To deal with each of them individually, we will take first OPPORTUNITY. The SUN and STAR is granting to its readers the opportunity of their lives to win a prize of unmistakable value for an infinitely small amount of work (we use the word guardedly). As for the EFFORT, we have repeatedly said (and the number of votes recorded each candidate in this contest will bear us out) that it will not be necessary for you to neglect your business in order to be a winner of one of these prizes. You will never know how very easy it is to secure subscriptions to the SUN and STAR until you have given it a trial. Then after you have been declared a winner in this contest, will come the REALIZATION of an absolute satisfaction in having won something by your own efforts. You will never cease to praise the SUN and STAR for having made this possible, and we shall rejoice with you in your proud ownership. In this paper today we show you the names of all who have entered, and you can easily see by the list that there is plenty of room in each district for a wideawake candidate to enter and win one of the prizes offered.
