REMARKABLE RESULTS

TONTINE ASSURANCE!

Twenty Years ago the System of Tontine Assurance was introduced by the

EQUITABLE LIFE ASSURANCE SOCIETY.

The system was then an experiment, and was bitterly assailed by incompetent theorists and jealous competitors. TODAY IT IS A DEMONSTRATED SUCCESS, and has done more to popularize Life Assurance and adapt it to the varied needs of modern business and professional life than all other agencies combined.

When Tontine Assurance was introduced, the EQUITABLE had been in existence but 12 years, and was comparatively unknown.

-TODAY IT IS THE-

Largest and Strongest Life Assurance Co'y in Existence!

AND ITS BUSINESS EXTENDS OVER THE ENTIRE CIVILIZED WORLD.

The 20-Year Tontine Policies of the EQUITABLE mature this year, and the remarkable results attained have never be equalled by any other Assurance company. The Equitable is the only Life Company in a position to demonstrate the

Actual Results of Twenty-Year Tontine Policies,

And its figures should not be confounded with the guesses or estimates being furnished by other companies. The following examples show the settlements being daily made with the Policy-Holders of the Society:

EXAMPLE OF 20-YEAR PAYMENT POLICY. Age at issue, 44. Amount, \$10,000. Annual Premium, \$436.40 Total Premiums Paid, \$ 8,728.00. Results at End of Period: A. If the Policy is surrendered, the assured may draw in cash, \$13,740 00 (Being a return of \$157.44 for each \$100 paid in premiums.) Or, in lieu of cash, he may obtain a paid-up policy of B. If the policy is retained, the surplus may be drawn in cash. 7,313.10 (And the Policy continued in force for the original amount without further expense, as all premiums have now been paid.)

Or, the surplus may be applied to the purchase of an anuuity

EXAMPLE OF 20-YEAR ENDOWMENT POLICY. Amount, \$10,000 Age at issue, 28. Results at End of Period: On surrender of the Policy, the following are three of the methods of settlement now offered to the assured :-1. Cash Value....\$16,948.50
(Being a return of \$176 for each \$100 paid in premiums, which is equivalent to a return of all the premiums paid, with interest at the rate of 7½ per cent. per annum.) 2. Or, in lieu of Cash, he may obtain a Paid-up Policy of

It should be remembered that these results are in Addition to the Protection furnished for Twenty Years. No one contemplating Assurance should fail to investigate the Tontine Plans of the Equitable, as they combine perfect protection to the family and estate, with Large Profits to the Assured.

IT IS EASY FOR ANY LIFE COMPANY TO SHOW LARGE RETURNS ON POLICIES WHICH MATURE AS DEATH CLAIMS, BUT THE EQUITABLE SHOWS LARGE RETURNS ALSO TO THE LIVING POLICY HOLDERS.

For Plans and Illustrations of Tontine Policies, apply to any of the authorized Agents of the Society, or send your name and address, with date of birth, to this office, when you will receive an illustration of the actual results of a Twenty-Year Tontine Policy, issued at your own age 20 years ago.
