perience with American students, the chance to study with Ramon Blanchart, versatile baritone of the Boston Opera Company and with Arnaldio Conti, its eminent conductor, is one of those awaiting a few at least of the thousands of music students from every part of the globe who are foregathering at the Hub this autumn. Of all the announcements for the musical season of 1911-12 none sounds more alluring to the average young American than this, that at the New England Conservatory of Music, there will henceforth be conducted a "school of grand opera," with the two eminent gentlemen just named as instructors and with a curriculum bearing distors, and the few and an attitute of the distort of the distort of the dist
