

Comfort Shoes For Women

For Sore, Tired Feet

We are featuring a range of Women's Comfort Shoes, made in the States, that for real ease and comfort cannot be equalled. The Vici Kid used in the upper is as soft as silk, the soles are at once heavy and flexible, with Comfort Cushion Insoles and Rubber Heels. Latterly there is a growing demand for a soft, comfortable laced boot or low shoe to take the place of slippers, and this line appeals to us as just the thing.

RECRUITING FOR OVERSEAS GOES STEADILY FORWARD

Seven men were secured yesterday, but many more were turned down by doctor—Meetings will be continued.

Another grand recruiting meeting was held last night in the recruiting rooms corner of Mill and Dook streets. These meetings are becoming very popular with the young men of the city and day after day the recruits coming in show that the call of the Empire is a personal matter to be considered by each individual. In many cases the recruits tell the officer that they first began to give the war situation their serious attention on account of hearing some of the speeches at one of these meetings, and the committee is to be congratulated on their persistence in continuing to bring the message home to the people of this city in such forceful manner. Yesterday three men were examined, passed and signed on for the 88th Battalion, they were:

M. Sabine, Port Lorne, N. S.
Weldon Ryan, Havelock, N. B.
Frank D. Seely, Central Greenview, N. S.

In addition to the above four men were enrolled for the heavy siege battery. At the meeting last night the chair was taken by Douglas McArthur, whose son, Major D. D. McArthur, is with the 28th Battalion somewhere in France. The speakers were H. A. Powell, K. C., Mayor Frink and John Martin, who has enlisted to go overseas with the siege battery and who

and the only outlet for their people and commerce is as I have said in the temperate zone.

"United States will not be bothered, as that country is also overcrowded. The grand prize that the German Kaiser has set his eyes on, is Canada, and the first country to feel the pressure of German rule will be Canada. If the Kaiser with his armies is enabled to win, Germany envies Great Britain in the possession of her colonies, and if she should be successful in this war, what would be easier than for her to send over a few hundred thousand men and take Canada. We could not expect any protection from the United States, as that nation has already crawled into her hole on several occasions, and there was a danger that she would become involved with Germany."

"Are we willing to allow our Empire to be broken up? Are we willing to let those brave boys who are even now fighting for us in the trenches of Flanders stand alone? It is up to us now to put on the uniform and do our duty."

"If you are proud of the privilege of being a member of that Empire, that loves freedom and liberty, then arise and deal with this situation in the old fashioned British way, man to man, and stamp out forever the terrible curse of German militarism."

Mayor Frink.

His Worship Mayor Frink was the next speaker. He was glad to know that the meetings were not entirely fruitless, and that many had offered their services to the country. He paid a high tribute to General Botha and the people of South Africa who appreciated so much the privilege of living under British rule that they were willing to fight for the motherland.

His Worship said he could not understand how any man of military age who was physically fit, could sit calmly back while over 5,000 of our gallant New Brunswick boys were over there in the trenches fighting to preserve their homes and families.

"These boys," concluded Mayor Frink, "are thinking of you and wondering when you are going to make up your mind to get into the same uniform as they are. The most welcome sound they could hear would be the tramp, tramp of the boys from Canada coming to the assistance of their comrades."

During the course of the meeting a musical programme was carried out, and pipes and cigars were provided by the committee. The meeting closed with the National Anthem. There will be another meeting tonight in the recruiting rooms. Several good speakers have been provided, and refreshments will be served.

IN THE COURTS.

In the case of Mary McManemin, administratrix of Patrick McManemin vs. the trustees of School District No. 2, Parish of Simonds, hearing was had yesterday morning before His Honor, Judge Armstrong on return of a summons to show cause why an order should not be made to compel the trustees to make an assessment to satisfy the judgment amounting to \$250 obtained against the trustees by the plaintiff in 1913.

K. A. Wilson appeared for the applicant, and one of the trustees, James Hannah, appeared in person. After argument was heard, an order was made directing an assessment to be levied.
