R. Acker of Halifax. The first two heats were won by King Okla, the third was declared a dead heat and the remaining three heats were won by Troas on a narrow margin. The stake was \$250.

## MAINE CANADIANS

### GET NATURALIZED

Houlton, July 2.—The proposed enactment of conscription in Canada has caused nearly 300 Canadian citizens in Aroostook county to take their first naturalization papers. The rush for first papers here today was so brisk that the staff at the county clerk's office was unable to accommodate all those applying.

Mr. Ashley specializes in villains, and as such has been put to death upon the screen more times and with wider variety of violence than any other actor. ## ST. JOHN POWER

### BOAT CLUB HELD

#### ANNUAL CRUISE

Outing at Belyea's Point Most  
Successful—Men from Military  
Hospital and Parks  
Home Here Guests.

The annual cruise of the St. John Power Boat Club yesterday to Belyea's Point was one of the most successful yet held. The attendance was large and the day was ideal. While the morning was not very promising it cleared up and was not too hot for comfort. One very interesting feature of the outing was the presence of the men from the Military Hospital on St. James street and the Parks Convalescent Home who were the guests of the club, and their enjoyment of the day added materially to that of their hosts. It is the intention of the club to have the "boys" as their guests on several more occasions this summer and the invitation will be welcomed by all the soldier boys who are able to accept it. The fleet left the club house at ten a.m. under charge of Commodore J. C. Chesley in the Thomas Mason, assisted by Rear Commodore Willard Wilson in the Venus and Fleet Captain Sergeant Major J. G. Sullivan in the Barry S. The boats were gaily decorated with flags and bunting and presented a handsome sight as they started on their journey.

On their arrival at Belyea's the first item on the programme was dinner and in this all took a hand. This was followed by the sports, held both on land and water. All the events were keenly contested and the lucky winners received valuable and handsome prizes. The sports were under the charge of Rear Commodore Willard Wilson.

The winners of the various events were: Land sports, soldiers' race, 1st, Pte. Keith; 2nd, Pte. Kinney; 3rd, Pte. Hopper. 100 yards dash, 1st, R. Roberts; 2nd, J. Belyea; 3rd, H. Belyea. Ladies' egg and spoon race, 1st, Miss Chesley. These were followed by a little girls' race, fat man's race, three-legged race and boys' race. After these had been finished a game of baseball was played between the soldiers and the club and the soldiers came out victorious by a score of four to three.

Water sports: Cabin cruisers, 1st, Caledonia, R. Roberts; 2nd, Tory, A. P. Chesley; 3rd, Oulfa, F. Roberts. Tender race, 1st, Charles Doucey; 2nd, M. Harrigan; 3rd, R. Roberts. Bang and go back, 1st, Dixie, J. Frodham; 2nd, Anzac, M. Logan; 3rd, Caledonia, R. Roberts. Board race, 1st, Tory; 2nd, Edna M., J. C. Gorrie; 3rd, Caledonia, R. Roberts.

The next event was supper after which the boats were headed for home and all voted it a most satisfactory outing and one of the best yet.

# Store Summer's Plenty

## For Winter's Need

PLAN to do all the preserving you possibly can this summer and do it in such a way that it cannot spoil. Cook your fruit with plenty of LANTIC PURE CANE SUGAR which is a valuable energy-making food and indispensable in the daily diet. Remember that in preserving you get the value of the sugar twice—first as a preservative of your fruit and again as a delicious and nourishing food.

LANTIC SUGAR is the best of all sugars for preserving because of its purity, its high-sweetening power and its "FINE" granulation. At preserving time we recommend you to use one of the larger packages. Your grocer will supply you.

2 and 5-lb. cartons,  
10, 20 and 100-lb. sacks.

PRESERVING LABELS FREE: Send a red ball trademark cut from a bag, or from the top panel of carton and we will mail you a book of assorted preserving labels, gummed and printed ready to attach to the jar. Address

## Buy According to Food Values!

"If we do not economize in food stuffs we stand a grave chance of losing the war."  
Herbert C. Hoover,  
ex-Chairman of the  
Belgian Relief  
Commission.

WHEN you have nothing else to do with your money, it may be alright to spend it on extravagant food and out-of-season delicacies. But now—in this critical year of the war—there are more important uses for it!

Save it by purchasing economically—and to do this, study food values. You will be surprised to know how extravagant some supposedly cheap foods are, and how some that seem high are really more economical. These true values are brought out clearly in a new National Service pamphlet, "How to Live in War Time," which we will gladly send you on request.

Under present conditions careless buying is worse than wasteful. It encourages still higher prices, and makes conditions harder yet for the less fortunate who are already feeling the pinch.

Buy carefully for their sake—for your own sake—and for your country! Canada needs every dollar you can save and invest in Canadian War Savings Certificates. Buy these certificates at any Bank or Money Order Post Office, at \$21.50, \$43 or \$86. In three years you will get back \$25, \$50 or \$100, respectively—which means over 5% interest. Or you can get your money back at any time you need it.
