

**NOS PRIX COURANTS**

Nos Prix Courants sont revus chaque semaine. Ces prix nous sont fournis pour être publiés, par les meilleures maisons dans chaque ligne; ils sont pour les qualités et les quantités qui ont cours ordinaire dans les transactions entre le marchand de gros et le marchand de détail, aux termes ci-dessus l'escompte ordinaire. Lorsqu'il y a un escompte spécial, il en est fait mention. On peut généralement acheter à meilleur marché en prenant de fortes quantités et au comptant. Tous les prix sont ceux du marché, en général et aucune maison ou manufacture n'a le pouvoir de les changer à son avantage, sauf pour ses propres marchandises qui sont alors cotées sous son propre nom et sa propre responsabilité. La Rédaction se réserve le droit de refuser ce privilège à quiconque en abuserait pour tromper le public.
