

"I'M STRONG ONCE MORE"

THIS is the way they feel, the men who had given up hope, who thought there was no cure for them, until they came upon Dr. McLaughlin's Electric Belt. Now they are full of life, overflowing with joyous spirits, and "Care to the winds." Pains are gone, weakness is gone, and full vigour is in every action.

Do you want to feel like that? Then wear this grand life-giving appliance for two months at nights. It will charge every nerve with electric life, and you will feel like a two-year-old. It puts steam in your run-down body, drives away pain and renews youth.

"I am an enthusiast," you say. "Why should I not be? I have the gratitude of thousands of people who have been cured by my Electric Belt after the failure of the best physicians." I am enthusiastic because I know that I offer suffering humanity the surest cure for the least expenditure of money that is known to day. I have gained my success by learning how to treat my patients and then curing them. I understand the action of the current on the human system. My years of experience have taught me how to apply electricity. I charge nothing for my knowledge, knowing that it helps me. My patients are my friends. They are advertising my business.

With my Electric Belt I cure Rheumatism in its worst forms; I cure pains and aches, weak nerves, general debility and any other trouble which can be cured by restoring strength.

I have not only proven that electricity is the substance of life and organic vitality, but I have perfected the best known appliance in the world for replenishing that force in the body when it is lost. My Electric Belt is the result of years of scientific study, coupled with experience

and mechanical skill. Now, dear reader, my strongest arguments are the large number of cures my Belt has to its credit.

Every man and woman who comes into my office gets a practical illustration of my method of cure, and goes away convinced that the claims I have made for it are TRUE. After seeing original letters from the cured (letters which I am permitted to exhibit) their doubts are expelled, and they know that my Electric Belt makes strong men out of weak men, gives buoyancy and ambition to the man who formerly got up tired every morning. They find that weak organs and atrophied parts are made as sound and strong as Nature intended. They read grateful letters from men and women who were cured by my Belt of Rheumatism, Backache, Lumbago, Sciatica, Stomach, Liver, Bowel, Kidney and Bladder troubles. They also see the evidence of wonderful cures of Locomotor Ataxia and some forms of paralysis. The following cures were made by

Dr. McLaughlin's Electric Belt

"One week's use of your Belt has greatly helped my stomach, kidneys and liver."—W. I. Chase, West Gore, N. B.

"My indigestion has quite disappeared; my kidneys are free from pain. I am also free from diarrhoea, and am thankful to say your Belt has cured me of other weaknesses."—A. P. Hickling, St. James, Man.

"I found a permanent cure of Indigestion, Constipation, Piles, Catarrh and Scrofulous affection of the skin by the use of your belt, and think it is the greatest invention of the age."—John Becker, Innisfail, Alta.

"I wish to tell you that I am in splendid health and strength. Under Providence, your Belt made a new man of me. I gave it away when I was cured, and I know that it fixed the other fellow up, too."—Wm. C. Allan, 639 Main St., Winnipeg, Man.

"When I got your Belt, nineteen months ago, my stomach bothered me so that I could not sleep at night, and my head hurt me so that I thought I would lose my mind; I thought I would go crazy, and my limbs would cramp so that I would have to get out of bed and rub them; so when I received your Belt I did not wear it more than three nights till I could lie down and sleep all night, so the money I paid you for your Belt is cheerfully yours. If this will help you any, you can use it, for I think that electricity is the proper way of curing all chronic diseases."—J. F. Worley, Gull Lake, Sask.

"I wish to state that I am fully satisfied with your Belt, which has thoroughly cured me. I may also state that the Belt still retains its current and I bought it just two years ago. I use it now and again when feeling out of sorts. I find it a splendid spring tonic."—James Woodley, Birtle, Man.

"I am pleased to tell you that the Belt has helped me wonderfully. I have been free from backache and weakness ever since I first used the Belt."—W. J. Grosse, Strongfield, Sask.

"I have been using your Belt for Lumbago and Weak Kidneys and have found it just what I needed as my back is stronger and I feel better in every way. I can recommend it very highly to any one suffering from the same trouble. As I was a chronic sufferer for many years before I got the Belt."—Samuel Quinn, Edmonton, Alta.

"I have been perfectly satisfied in every way with your treatment and it is every bit as good as it is said to be. I just wore the Belt for about six weeks straight after I got it, almost three years ago, and I have never worn it since, nor have I felt any pains about me anywhere whatever. My back is perfectly well and strong and I am as healthy as any person could be, and wishing you every success, I remain,"—A. E. Joy, Haunted Lake, Via Alix, Alta.

I have thousands of just such letters. If you will tell me where you live I will send you a name of a man in your town I have cured. For the benefit of those who are skeptical regarding the merits of my method, I know there is no better way to prove my confidence in the wonderful curative power of my Belt than to cure you before I ask you to pay for it, and I DO KNOW that it will restore strength in every instance. I am willing to cure first and ask my pay afterward. So if you are weak, breaking down or sick in any manner come to me, tell me your trouble and let me cure you. When you are cured you can pay me. This offer is open to any man who will secure me. All I ask is that the man or woman asking me to take their case under these terms give me evidence of their honesty and good faith. They will use the Belt at my risk and
