

Should I skip Phys. Ed. this week?

Girls who rely on externally worn sanitary protection frequently use their monthly period as an excuse to cut gym classes. They find it uncomfortable to be active while wearing a bulky belt-pin-pad contraption.

For these girls there's an easy answer: Tampax tampons. Because they're worn internally, you can't even feel them when they're properly in place. There's no possibility of chafing. Odor can't form. And after strenuous exercise you can tub or shower—even swim—and be your own cool, clean, fresh self again.

If your school has compulsory Phys. Ed., it pays to be compulsive about Tampax tampons. They're available in 3 absorbency-sizes—Regular, Super and Junior—wherever such products are sold. Easy to get, easy to use, easy to dispose of.
