SUB THEATRE

We're Simple Minded.

Everything that goes into Howick pants belongs there. No frills for the sake of fashion, because fashions don't last as long as Howicks.

Instead we focus on clean, classic design that makes

your body - not your pants - the centre of attraction.

Howicks are made here in Canada in limited numbers, so you won't find them in every shop.

But if you're willing to look, you'll look better.
