THE BRUNSWICKAN-3

Who's running for what?

Here's the General Election Candidates

The elections this year seem heavily contested with only a few acclamations and a couple of open seats. It appears the the UNB student population is becoming more involved in their politics. Let's hope that they're just as involved on election day. The election is to be held on November 21, the results will appear in the *Brunswickan* in the next issue after that date, but will probably be heard on CHSR-FM lots earlier. Damn!

Next week, the *Brunswickan* should be printing candidates submissions that will tell a little about themselves and their platforms. Be there or be square.

Election, November 21 Nominations Extended for Following Positions

Science — 1/2 Term
Phys Ed — 1/2 Term
