GENTLEMEN:-----

During the year 1918, through several communications this Municipality tried to get the granting of a road allowance starting between Sections three and four 21-23-4, and leading down the hill to the Big Bow River Bridge south of Gleichen.

This road would extend probably one-half mile through the holdings of the Blackfoot Indians, but would in no way harm their land.

The Municipality would appreciate if your Department would advise as to just what has been done in this matter.

Thanking you for your prompt attention to this matter, we are,

YOURS VERY TRULY,

THE MUNICIPAL DISTRICT OF MARQUIS
