months in perfect quiet - in
delicious country near the
Lakes. I'm in a friend's cottage;
she herself was with me at first,
but during Aug. I've been a good
deal alone - not a thing to re-
spect really. My uncle, Mr.
Darwin spent the inside of a
week with me, & brought his
motor, & we had some beautiful
runs. There are endless inter-
esting places to see, & a motor
makes one feel the comparative
smallness of this wonderful
