Right Honorable Arthur Meighen P. C.
House of Commons,
Ottawa,

Honorable Sir:-

May I be permitted to make
yourself acquainted with the fact that I
have applied to the Honorable Prime Minister
for the position of Commissioner on
the Civil Service Commission to be
named shortly.
I have served the Conservative Party
since 1910 and have fought all its
battles through thick and thin. And
you have no doubt forgotten that I
was your candidate in Brome in
1921. Needless to say that my practice has
suffered from it since then and I would
like to see the Party recognize my services.
I have never denied my country and my
Party my services and sacrifices when
the opportunity offered itself.
In 1914, at the very outset of the war,
I enlisted in The C. A. M. C. and
served in England and France.
