Mr. F. A. Gaby,  
Hydro-Electric Commission,  
190 University Ave.,  
Toronto, Ont.

Dear Mr. Gaby:

Enclosed is letter addressed to  
Duncan Sinclair by J. A. Combe of Palmerston. Mr.  
Sinclair speaks in the highest terms of this young man.  
Palmerston, of course, has been hard hit because of lack  
of Railway work. As Combe has had some experience with  
Hydro, it might be possible to offer him something up  
North. Please let me know.

Yours very truly,

AM/E.  
Encl.

Commissioner.
