

Ottawa, June 27, 1914.

Dear Mother Superior,-

Mrs. Johnson of Caughnawaga has come to the Department to-day for the purpose of taking home with her the two Montour children at your institution. She is anxious to go back tonight with the children and states that their Grandmother is very sick and would like very much to see the children. She promises that they will be returned immediately after the holidays and is willing to pay their transportation expenses. Under the circumstances will you kindly allow her to take the children home with her.

Yours truly,

Acting Deputy Superintendent General.
