

with Henry & I thought you would like to
read it. He would send it in about your
20th. At the public meeting of
the other translation from the
Society's minutes with what I
now the Secretary - Chatham's
of the Council's resolution.

Henry has now that I have
told him of Richard Campbell's
proposal in the year and the
note. I thought it was one
and the Campbell's, & it is the same
he would have in his history of
the old. I will see what
you can do in the future?

Richard is I think a
of the English side of the
paper was not that of a
handwritten, it was very
the old form & I am
did. I did not think
when was the. I think
of the Council's when it
you have seen them, I
to you have seen them
in the future of the
many years ago.

Henry J. Thompson, of
setting out a book in the
of Canada.
