GEORGE ARNOLD, PROPRIETOR.
IS now open for the reception of visitors. The situation and accommodation of the premises combining advantages unequalled by any similar establishment in Quebec, and unsurpassed in the Canadas. The arrangements have been made under the immediate superintendance of the proprietor, and as the business will be conducted by himself personally, every attention will be ensured to those who may favor him with their visits. To those gentlemen in particular who are connected with the business of the port, the situation of the premises, in the direct vicinity of the Steam-Port Wharves, and Custom House, offers great advantages; and to the public in general, the arrangements of the establishment are such as to present every convenience. On the ground floor are an extensive Saloon and Reading Room. On the first floor are two spacious rooms, which by means of folding doors between, may, when required, be converted, into one magnificent apartment of 70 feet by 32 feet, and 15 feet high; dimension which render it a most eligible place for meetings, &c. The numerous apartments contained in the three upper stories are fitted up for the accommodation of families and individuals. A spacious gallery on the roof commands a splendid view of the harbor of Quebec and the surrounding country.

The Wines and other liquors of the establishment will be of the 6th order; refreshments of the best may be had throughout the day; and it will be the study of the proprietor, in providing for his guests, to combine moderate charges, and superior accommodation.

The Montreal papers are authorised to state that arrangements, will shortly be concluded for the reception of letters for transmission to New-York, to be forwarded regularly by the Steam packets to England.

We regret to learn that His Excellency the Governor General has been reluctantly compelled, by indisposition, to postpone his visit to the Eastern Townships, till a latter part of the summer.

The execution of Moreau, convicted of high treason, was to take place at Niagara yesterday.

On Sunday evening between seven and eight, a drunken affray occurred in Champlain street, when one of the Police was knocked down senseless, and his clothes torn off him. A strong party came up and secured two of the rioters, who were committed yesterday morning to two months' hard labour in goal. We understand it is the intention of the authorities to suppress such affrays, and to punish the actors to the utmost rigour of the law.—*Gazette.*

We learn from the Commercial Advertiser, that Peter W. Grayson, Esq. of Texas, committed suicide at Beau's Station, by shooting himself with a pistol through the head. He was on his way to Washington as minister plenipotentiary to the United States from Texas.—*Ibid.*

The length of the account which we have given in our first page of the ceremonies on the interesting occasion of the Coronation of Her Majesty, obliges us to defer the conclusion of the story entitled "The Coquette," to our next paper.

To CORRESPONDENTS.—The Communications of "Q," "A Whig," and several others will appear in our next.
