KEEP THE BOYS ON THE FARM! They may be dissatisfied and want a chance to start out for themselves. Let them have a chance to prove their ability while staying at home. Many farmer's sons have found such an opportunity, and are making money by selling Page Fence. Some of them have had such success that their fathers wish to take an interest with them. During the winter, when little farm work can be done, they go about their township showing the fence to their friends and neighbors, and taking orders for fence to be put in the spring, when the fence will be shipped from the factory ready to be stretched on the posts. There are still many townships unoccupied. Send for full particulars of fence and terms to township dealers. 2-a-om PAGE WIRE FENCE COMPANY OF ONTARIO (Ltd.), Walkerville, Ontario.
