

by making me a member of Christ's Body, the Holy Catholic Church. That I may be numbered with God's saints in glory. I must use the means of grace.

But my sins are many, and I can do nothing without God's help. I need repentance, to look at myself and my sinfulness,—to be sorry, confess, and amend. I need faith, to look at God and His perfection,—to believe the promises He makes and the blessings He conveys in His Word, His Church, His Sacraments, His guidance day by day.

I must be cleansed, and kept, in body, soul, and spirit, by union with Jesus, Who is perfect God and perfect Man. He who lived, and died, and rose again for me, will not leave me to perish when the dead are raised. And He makes me sure of this by causing me to feed continually on His Precious Body and Blood in Holy Communion till He comes again.

Kept by the power of God through faith unto salvation, I shall be ever with the Lord. The love of the Father prepared this for me; the grace of our Lord Jesus Christ procured it; the communion of the Holy Ghost applies it.

Amen. These are the twelve Articles of the Apostles' Creed. This is the Truth, and this is my Faith. All this I firmly believe. My Faith is increased by lifting up my heart to God, by hearing the instruction of God's Church, by seeking the help of God's priests, by walking in the way of godliness.

BRIGHT'S DISEASE OF THE KIDNEYS, DIABETES.—No danger from these diseases if you use Hop Bitters; besides, being the best family medicine ever made. Trust no other.

HAD SUFFERED MANY PHYSICIANS and grew no better but rather worse. Mr. D. H. Howard, of Geneva, N.Y., after dismissing his physicians, tried nearly half a gross of the various blood and liver remedies advertised, with no benefit; when one bottle of Burdock Blood Bitters cured him of Paralysis and General Debility. At the advanced age of 60, he says he feels young again, and overjoyed at his wonderful recovery.

At the Quinquennial Division on the close of 1876, the holder elected to take his profits by way of **TEMPORARY REDUCTION** of Premium, and has had the benefit of the same.

The cash profits for the five years are \$42.83, equal to 41 per cent. of the premiums paid during that period.

THE TONTINE INVESTMENT
POLICY of The North American Mutual Insurance Company combines in one form the greatest number of advantages attainable in a Life Insurance Policy. It appeals at once to the intelligence of all who understand the principles and practice of Life Insurance.

All Policies whether on Life or Endowment Rates, are subject to **no higher charge in Premium Rates**, in taking the "Tontine Investment" form.

The extra benefits of this are conditioned only upon continuance of the Policy for a certain specified term or Tontine period of ten, fifteen or twenty years, selected by the insured himself.

Two things most desired in Life Insurance are the **certainty of protection** in early death, and **profit** in long life. These are combined in the "Tontine Investment Policy" of the North American Mutual Life Insurance Co., which also issues Annuities and all the ordinary approved forms of Life Policies.
