Which Is Your Choice?

The Grain Growers' Guide

Is Western Canada's greatest Democratic weekly journal. It is absolutely owned and controlled by the organized farmers. Equity—"equal rights to all and special privileges to none"—is the goal The Guide is aiming for. The Guide is **absolutely non-partisan**. It supports the Farmers' Platform and fights for the Farmers' Cause, irrespective of the attitude of either political party. It prints in concise and plain terms, with lucid explanations and without bias, everything pertaining to the interest of Western farmers. The Guide aspires to a deserved reputation for intelligence and honesty. The fight The Guide has put up against all forms of evil, and the efforts it has made to obtain a square deal for the men who till the soil, are meeting their just reward. Our **circulation is increasing rapidly**. If some hate The Guide and are working against it, many love it and are working for it; hence our phenomenal progress. Send in your renewals promptly and take advantage of the great and unusual offers on this page.

The Weekly Farmers' Tribune

Without intelligent direction and an honest press, you cannot succeed. The Farmers' Weekly Tribune has fought your battles for a quarter of a century. Have you rewarded it with your patronage? In this crisis, when efforts are being made to destroy the Farmers' Movement to protect themselves, the only thing to do is to put our shoulders together and struggle for the common good. An arrangement has been made with **The Grain Growers' Guide**, your own official organ, by which you can secure The Tribune and The Guide for twelve months for **\$1.25**. The Tribune is a splendid newspaper in addition to being an advocate of the Farmers' Cause.

The Montreal Witness

"Canada's best metropolitan and national newspaper." "Strong and courageous." The **Hon. R. L. Borden** says: "The responsibilities of a public journal are not less than those of a public man. In fulfilling these the **Witness** has manifested, in an eminent degree, the qualities of courage and sincerity." **Sir Wilfrid Laurier** says: "Whenever you differed from me, and thought me in the wrong, your criticisms derived all the greater force from my intimate conviction that they were inspired by a sense of public duty." The **Witness** this year is wonderfully large and improved. Its circulation is being doubled. It is the most popular newspaper among church-going people. Its subscribers love it. Make it your choice for 1912 along with The Guide.
