

"The Waugh Way Wins"

Mr. Smith The Smithy

MR. SMITH, the smithy, is a "mighty man" in the mine blacksmith shop.

EVERY miner regards him as a magician. He is a magician, too—what is known around the mine as "the Waugh Wizard."

THE secret of his magic lies in the marvelous Model 8 Waugh Drill Sharpener that he operates. With it he sharpens sharp and well and he makes all sorts of forgings useful around the mine—all in the twinkling of an eye.

HE gets so much done, and he does it so speedily and so easily, working the Waugh Way, that he sings at his work. And this is the song he sings:

*"You, too, will know the joy we Waugh-riors feel,
In finding sharpeners worthy of our steel."*
