SOME CHALLENGE!

TIME TRIED **CAILLE PERFECTION** STORM TESTED

Photograph of Actual Test.

The Trouble-Proof Engine.
PERFECTION WATERPROOF IGNITION SYSTEM.

No Coils—No Batteries—No Timer

Only One Wire on the Whole System. The only safe equipment for boats that must be used every day. No danger of your engine stopping if caught in a storm.

Advantages of Perfection Igniter. No batteries, no coil to need adjusting, no complicated wiring, no variation in current, no adjustment, not affected by water, makes an easy starting engine. Runs in either direction. Spark does not depend on speed of engine. Simple and durable.

Test shown in photograph was made to prove that "Perfection" Igniter is absolutely waterproof. We challenge any engine manufacturer in the world to produce an engine with an ignition system that will stand a similar test. Every part of the ignition system was submerged in water and engine continued to run, showing the same power and speed as when running perfectly dry, proving beyond any doubt our claim **AN ABSOLUTE WATERPROOF IGNITION SYSTEM.**

Caille Perfection Motor Company
World's Largest Builders of 2 Cycle Engines

F. G. HOUSE & CO., Columbus Building, St. John's.
Sole Agents and Distributors.

READ THIS! To The Fishermen:

"THE COAKER" Kerosene Motor Engine Is The Favorite!

A Motor Engine made for The Union Trading Co.

by the Largest Motor Engine Manufacturers

in America is now available to the Fishermen.

A 6 H.P. "COAKER" ENGINE.

The "Coaker" 4 Cycle Engine can be operated on half the oil consumed by a 2 Cycle Engine. This Engine's power is equal to double the power of some 2 Cycle Engines. It is made for Fishermen's use and expressly for Trap Skiffs and the large size Fishing Bullies. It is sold to Union Members at wholesale prices, all commission and middlemen's profits being cut out. We have contracted for the manufacture of 1000 of these Engines. We sell no engine but the "Coaker." We have them on exhibition at our wharf premises. We carry parts and fittings in stock. We will arrange reasonable terms of payment to meet the requirements of men unable to purchase for cash. **WE GUARANTEE THE ENGINE.** Write for particulars and terms, applying to Chairmen of F. P. U. Councils concerning this Engine. We confidently recommend the Engine as being of the very best make and material, of being exactly what is needed for the Fishermen's use and **GUARANTEED TO GIVE SATISFACTION.**

It is above all durable, simple and capable of doing heavy work; it is not a toy engine. The Engine starts on Gasolene, and when started, operates on Kerosene oil. The very latest improvements on Motor Engines will be found on the "Coaker." We have sold 200 of these Engines the past spring and all are giving splendid satisfaction. No other firm can sell you a similar engine. We possess the sole rights to sell this Engine in Newfoundland. The man who buys a "Coaker" Engine from us saves \$50 on a 6 H.P., \$80 on a 8 H.P. and \$40 on a 4 H.P. Engine.

We have the 4, 6, and 8 H.P. Engines on exhibition at our premises. We also sell 12, 16 and 24 H.P. "Coaker" Engines, all 4 Cycle make. We also sell 2 H.P. 2 Cycle Engines for small boats. This 2 H.P. Engine is fitted with a Kerosene adapter. No agents will be employed to sell these Engines. We will do our work through the Councils of the F. P. U. Send along your orders for Spring delivery. For full particulars, prices, etc., apply to

4 H.P. COAKER.
